**ORDER GRANTING MOTION FOR EXTENSION OF
ALTERNATIVE DISPUTE RESOLUTION PROCESS**

The ADR process in this matter expires on August 30, 2010. By a joint motion dated August 24, 2010, the parties have requested that the ADR process be extended for 30 days or until September 29, 2010, for the reason that the parties have exchanged information which after further discussion and negotiation, may lead to a settlement of this difficult proceeding. Moreover, Respondent has suggested the possibility of incorporating a (SEP) Supplemental Environmental Project into the settlement which would of necessity require time for evaluation by complainant.

For good cause shown, the motion is granted and the ADR process in this proceeding is extended to and including September 29, 2010.

Dated this 25th day of August 2010.
