Subject RE: Sellers Consent Agreement

Hello Dan

We concur that we should not have to re-do anything based on renumbering the pages.

I assume Pratt, Hays and Sellers have all provided the penalty fee.

Assume you will forward the signed copies.

Thank you.

Subject: Sellers Consent Agreement

Rich:

This is a short note to let you know that the public comment periods for the Pratt, Hays, and Sellers cases have ended and EPA did not receive any comments. I have submitted the Agreements to the Regional Hearing Clerk for final signature and filing. An minor issue came up with the Sellers Agreement. A couple of the page numbering for a couple of the pages is incorrect. The text reads fine but apparently some of the page numbers did not survive the emailing process very well. I think the solution is to merely white out and correct the numbers on pages 5 and 8. However, before making the corrections the Regional Hearing Officer would like concurrence on the changes. An email reply will probably be sufficient. Please give me a call if you would like to discuss.

I hope all is well.

Sincerely,

Dan
