I. AUTHORITY

1.1. This Consent Agreement and Final Order (“CAFO”) is issued under the authority vested in the Administrator of the United States Environmental Protection Agency (“EPA”) by Section 309(g) of the Clean Water Act (“CWA” or “the Act”), 33 U.S.C. § 1319(g). The Administrator has delegated the authority to issue the Final Order contained in Part V of this CAFO to the undersigned Regional Judicial Officer, Region 10.

1.2. Pursuant to Section 309(g)(1) and (g)(2)(B) of the CWA and in accordance with the “Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties,” 40 C.F.R. Part 22, EPA hereby issues, and Respondent Jean Ledbetter, hereby agrees to the issuance of the Final Order contained in Part V of this CAFO.

II. PRELIMINARY STATEMENT

2.1. In accordance with 40 C.F.R. §§ 22.13(b) and 22.45(b), issuance of this CAFO commences this proceeding, which will conclude when the Final Order contained in Part V of this CAFO becomes final.

2.2. A concise statement of the factual basis for alleging violations of the Act, together with specific references to the provisions of the Act and implementing regulations Respondent is alleged to have violated, appears in Part III of this CAFO.

III. ALLEGATIONS

3.1. Respondent owns and operates a dairy located at 268 South 500 West, Jerome, Idaho 83338.

3.3. On February 20, 2008, Idaho Department of Agriculture conducted an inspection of a discharge of cow manure from Respondent's manure land application truck (aka "honey wagon") into the J Canal. The inspector found manure on the banks of the J Canal and elevated levels of fecal coliform bacteria downstream of the discharge point. The inspector determined that an employee of Respondent's dairy discharged manure into the J Canal while attempting to draw water from the canal into the truck.

3.2. Respondent is a "person" within the meaning of Section 502(5) of the Act, 33 U.S.C. § 1362(5).

3.3. The J Canal is a perennial water body that flows into the Snake River. The Snake River flows into the Columbia River, which flows into the Pacific Ocean. Therefore, the J Canal is "navigable waters" as that term is defined in Section 502(7) of the Act, 33 U.S.C. § 1362(7),

and “waters of the United States” within the meaning of 33 U.S.C. § 1362(7) and 40 C.F.R. § 122.2.

3.5. Manure is a “pollutant” within the meaning of Section 502(6) of the Act, 33 U.S.C. § 1362(6).

3.6. The manure discharge described above constitutes “a discharge of pollutants” within the meaning of Section 502(12) of the Act, 33 U.S.C. § 1362(12), from a “point source” within the meaning of Section 502(14) of the Act, 33 U.S.C. § 1362(14).

3.7 The discharge of pollutants described above was not authorized by a National Discharge Elimination System (“NPDES”) permit, and therefore constitutes one day of violation of Section 301 of the Act, 33 U.S.C. § 1311(a). Pursuant to Section 309(g)(2)(B) of the Act, and 40 C.F.R. Part 19, Respondent is liable for the administrative assessment of civil penalties in an amount not to exceed \$11,000 per violation for each day during which the violation continues, up to a maximum penalty allowed under 33 U.S.C. § 1319(g).

IV. CONSENT AGREEMENT

The parties to this action hereby stipulate as follows:

4.1. Respondent admits the jurisdictional allegations contained in the Complaint.

4.2. Respondent enters this CAFO without admitting or denying liability or the facts alleged by EPA to establish violations of the Act, and further does so to compromise and settle the Complaint without further proceedings in this matter.

4.3. Respondent expressly waives the right to contest the allegations contained in the Complaint and to appeal the Final Order contained herein.

4.4. Pursuant to Section 309(g) of the Act, 33 U.S.C. § 1319(g), EPA has determined

and Respondent agrees that an appropriate penalty to settle this action is in the amount of FIVE THOUSAND EIGHT HUNDRED DOLLARS (\$5,800). This penalty amount has been agreed upon in consideration of the statutory penalty factors identified in Section 309(g)(3) of the CWA, 33 U.S.C. § 1319(g)(3).

4.5. Respondent consents to the issuance of the Final Order recited herein and to payment of the civil penalty recited in the foregoing paragraph within thirty (30) days of the effective date of the Final Order.

4.6. Payment under this CAFO shall be made by cashier's check or certified check, payable to the order of "Treasurer, United States of America" and shall be delivered to the following address:

U.S. Environmental Protection Agency

Cincinnati Finance Center
P.O. Box 979077

4.8. If Respondent fails to pay the penalty assessed by this CAFO in full by the due date set forth in Paragraph 4.5, above, the entire unpaid balance of the penalty and accrued interest shall become immediately due and owing. If such a failure to pay occurs, Respondent may be subject to a civil action to collect the assessed penalty under the CWA, together with interest, fees, costs, and additional penalties described below. In any collection action, the validity, amount, and appropriateness of the penalty shall not be subject to review.

4.9.2. Attorneys Fees, Collection Costs, Nonpayment Penalty. Pursuant to CWA Section 309(g)(9), 33 U.S.C. § 1319(g)(9), if Respondent fails to pay on a timely basis the amount of the penalty set forth in Paragraph 4.4, above, Respondent shall pay (in addition to any assessed penalty and interest) attorneys fees and costs for collection proceedings and a quarterly nonpayment penalty for each quarter during which such failure to pay persists. Such nonpayment penalty shall be in an amount equal to twenty percent (20%) of the aggregate amount of Respondent's penalties and nonpayment penalties which are

unpaid as of the beginning of such quarter.

4.10. The penalty described in Paragraph 4.4, above, including any additional costs incurred under Paragraph 4.9, above, represents an administrative civil penalty assessed by EPA and shall not be deductible for purposes of federal taxes.

4.11. The undersigned certifies that she is fully authorized to enter into the terms and conditions of this CAFO and he is bound by this document.

4.12. Except as described in Subparagraph 4.9.2, above, each party shall bear its own costs in bringing or defending this action.

4.13. The provisions of this CAFO shall bind Respondent and her agents, servants, employees, successors, and assigns.

4.14. The above provisions are STIPULATED AND AGREED upon by Respondent and EPA.
