Dear Mr. Moyer:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), issued to Teton Pass Properties LLC (Teton Pass) on January 26, 2011. The EPA has determined that Teton Pass has complied with the terms of the Order and therefore we will close it at this time.

Please be aware that Teton Pass is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Shawn McCaffrey at 303-312-6515. Thank you for resolving these issues.

Sincerely,

Arturo Palomares, Director
