ORDER

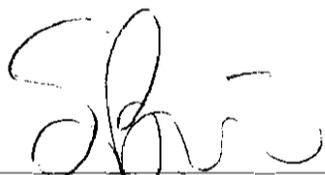

By an Order dated January 30, 2008, the Alternative Dispute Resolution process was extended for 30 days or until February 27, 2008, to allow Respondent to supply documentation to support its inability-to-pay claim. The only basis for extending the ADR process at present is that Respondent will furnish information on its financial status and that the parties are engaged in serious negotiations to settle this matter. Unless such information is filed on or before March 24, 2008, the ADR process will be terminated.

Dated this 17th day of March 2008.

So Ordered.
