**CONSENT AGREEMENT AND FINAL ORDER**

**Preliminary Statement**

The U.S. Environmental Protection Agency, Region 7 (“EPA” or “Complainant”), and Forgeworks, L.L.C. (“Respondent”) have agreed to a settlement of this action before the filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R. §§ 22.13(b) and 22.18(b)(2).

**Jurisdiction**

1. This proceeding is an administrative action for the assessment of civil penalties instituted pursuant to Section 16(a) of the Toxic Substances Control Act (“TSCA”), 15 U.S.C. § 2615(a).
2. This Consent Agreement and Final Order serves as notice that the EPA has reason to believe that Respondent has violated Section 409 of TSCA, 15 U.S.C. § 2689, by failing to comply with the regulatory requirements of 40 C.F.R. Part 745, Subpart E, *Lead-Based Paint Renovation, Repair and Painting Rule*, promulgated pursuant to 15 U.S.C. §§ 2682, 2686 and 2687.

**Parties**

3. Complainant, by delegation from the Administrator of the EPA and the Regional Administrator, EPA, Region 7, is the Division Director of the Enforcement and Compliance and Assurance Division, EPA, Region 7.
4. Respondent is Forgeworks, L.L.C., an LLC registered in the state of Missouri.

### Statutory and Regulatory Background

5. Congress passed the Residential Lead-Based Paint Hazard Reduction Act of 1992 (the “Act”), 42 U.S.C. §§ 4851 to 4856, to address the need to control exposure to lead-based paint hazards. One of the stated purposes of the Act is to implement a broad program to reduce lead-based paint hazards in the Nation’s housing stock. 42 U.S.C. § 4851a(2). The Act amended TSCA by adding *Title IV—Lead Exposure Reduction*, Sections 401 to 412, 15 U.S.C. §§ 2681 to 2692.

6. Section 402 of TSCA, 15 U.S.C. § 2682, requires that the Administrator of EPA promulgate regulations governing the training and certification of individuals and contractors engaged in lead-based paint activities, including renovation of target housing. Section 406 of TSCA, 15 U.S.C. § 2686, requires that the Administrator of EPA promulgate regulations requiring persons who perform for compensation a renovation of target housing to provide a lead hazard information pamphlet to the owner and occupant prior to commencing the renovation. Section 407 of TSCA, 15 U.S.C. § 2687, requires that the regulations promulgated pursuant to the TSCA include recordkeeping and reporting requirements to insure effective implementation.

7. Pursuant to Section 402(a) of TSCA, 15 U.S.C. § 2682(a), the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart L, *Lead Based Paint Activities*. See Lead; Requirements for Lead-Based Paint Activities in Target Housing and Child-Occupied Facilities, 61 Fed. Reg. 45778, 45813 (Aug. 29, 1996). Pursuant to Section 406(b) and Section 407 of TSCA, 15 U.S.C. § 2686(b) and 2687, the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart E, *Residential Property Renovation*. See Lead; Requirements for Hazard Education Before Renovation of Target Housing, 63 Fed. Reg. 29908, 29919 (June 1, 1998). Finally, pursuant to Section 402(c)(3) of TSCA, 15 U.S.C. § 2682(c)(3), the EPA amended and re-codified regulations at 40 C.F.R. Part 745, Subparts E and L, and added additional regulations at 40 C.F.R. Subpart L (“Renovation, Repair, and Painting Rule”). See Lead; Renovation, Repair, and Painting Program, 73 Fed. Reg. 21692, 21758 (Mar. 31, 2008).

8. The regulations set forth at 40 C.F.R. Subpart E, *Residential Property Renovation*, including the Renovation, Repair, and Painting Rule, require that owners and occupants of target housing and child-occupied facilities receive information on lead-based paint hazards before renovations begin, establish work practice standards for renovations that disturb painted surfaces in target housing and child-occupied facilities and requires that firms and individuals performing, offering, or claiming to perform such renovations are properly trained and obtain EPA certification.

9. The requirements set forth in the regulations at 40 C.F.R. Subpart E, *Residential Property Renovation*, apply to all renovations performed for compensation in target housing and child-occupied facilities, unless otherwise excluded as set forth in 40 C.F.R. § 745.82.

10. The regulation at 40 C.F.R. § 745.83 defines “renovation” as the modification of any existing structure, or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an abatement as defined by 40 C.F.R. § 745.223. The term renovation includes, but is not limited to, the removal, modification, or repair of painted

surfaces or painted components (*e.g.*, modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); the removal of building components (*e.g.*, walls, ceilings, plumbing, windows); weatherization projects (*e.g.*, cutting holes in painted surfaces to install blown-in insulation or to gain access to attics, planing thresholds to install weather stripping); and interim controls that disturb painted surfaces.

11. Section 401(17) of TSCA, 15 U.S.C. § 2681(17), defines “target housing” as any housing constructed prior to 1978, except housing for the elderly or persons with disabilities or any zero-bedroom dwelling (unless any child who is less than six years of age resides or is expected to reside in such housing).

12. The regulation at 40 C.F.R. § 745.83 defines “firm” as a company, partnership, corporation, sole proprietorship or individual doing business, association, or other business entity; a Federal, State, Tribal, or local government agency; or a nonprofit organization.

13. The regulation at 40 C.F.R. § 745.83 defines “person” as any natural or judicial person including any individual, corporation, partnership, or association; any Indian Tribe, State, or political subdivision thereof; any interstate body; and any department, agency, or instrumentality of the Federal Government.

14. The regulation at 40 C.F.R. § 745.87(a) provides that failure or refusal to comply with any provision of 40 C.F.R. Part 745, Subpart E, is a violation of Section 409 of TSCA, 15 U.S.C. § 2689. Section 409 of TSCA, 15 U.S.C. § 2689, provides that it shall be unlawful for any person to fail to comply with, *inter alia*, any provision of 40 C.F.R. Part 745, Subpart E.

15. Section 16(a) of TSCA, 15 U.S.C. § 2615(a), as amended, and 40 C.F.R. § 745.87(d), authorize a civil penalty of not more than \$37,500 per day for violations of Section 409 of TSCA, 15 U.S.C. § 2689. The Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701, as amended, and the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015, 28 U.S.C. § 2461, and implementing regulations at 40 C.F.R. Part 19, increased these statutory maximum penalties to \$39,873 for violations that occur after November 2, 2015, and are assessed after February 6, 2019.

### **General Factual Allegations**

16. On or about February 27, 2018 and pursuant to Section 11 of TSCA, 15 U.S.C. § 2610, representatives of the EPA conducted an inspection at [REDACTED] (“the Property”) to evaluate Respondent’s compliance with TSCA and the requirements of the Renovation, Repair, and Painting Rule (“EPA inspection”). A copy of the inspection report was mailed to Respondent on March 20, 2018.

17. Respondent is, and at all times referred to herein was, a business doing business in the state of Missouri under Forgeworks L.L.C.

18. Respondent, at all times referred to herein, was a “person” and “firm” as defined by 40 C.F.R. § 745.83.

19. At the time of the EPA inspection, and at all times relevant to this Consent Agreement and Final Order, Respondent was engaged in a “renovation” of the Property as defined by 40 C.F.R. § 745.83. The EPA inspection revealed that Respondent was removing an enclosed porch and converting it back to outdoor space, removing a post-construction interior wall design in the foyer, and demolishing the northwestern-most room on the first floor (“the renovation”).

20. At all times relevant to this Consent Agreement and Final Order, Respondent’s renovation was a “renovation for compensation” per 40 C.F.R. § 745.82(a).

21. At all times relevant to this Consent Agreement and Final Order, the Property was “target housing” as defined by Section 401(17) of TSCA, 15 U.S.C. § 2681(17). The EPA inspection and subsequent investigation revealed that the Property was built in 1905.

22. As a result of the EPA inspection and additional information obtained by the agency, Complainant has determined that violations of the Renovation, Repair, and Painting Rule, 40 C.F.R. Part 745, Subpart E, and Section 409 of TSCA, 15 U.S.C. § 2689, occurred as a result of Respondent’s renovation activities at the Property.

### **Allegations of Violation**

23. Complainant hereby states and alleges that Respondent has violated TSCA and federal regulations promulgated thereunder as follows:

#### **Count 1**

24. The facts stated in Paragraphs 16 through 22 above are herein incorporated.

25. Pursuant to 40 C.F.R. § 745.89(a)(1), firms that perform renovations for compensation must apply to EPA for certification to perform renovations. With certain exceptions not relevant here, 40 C.F.R. § 745.81(a)(2)(ii) prohibits firms from performing, offering, or claiming to perform renovations without certification from EPA in target housing or child-occupied facilities.

26. The EPA inspection revealed that Respondent failed to apply for and obtain EPA certification prior to commencing the renovation for compensation on the Property.

27. Respondent’s failure to apply to the EPA for certification pursuant to 40 C.F.R. § 745.89(a)(1) prior to performance of the renovation on the Property is a violation of 40 C.F.R. § 745.81(a)(2)(ii). Respondent, therefore, violated Section 409 of TSCA, 15 U.S.C. § 2689.

### **Penalty Payment**

51. Respondent agrees that, in settlement of the claims alleged herein, Respondent shall pay a mitigated civil penalty as set forth below. EPA has considered the appropriateness of the penalty pursuant to Section 16(a)(2)(B) of TSCA, 15 U.S.C. 2615(a)(2)(B), and has determined that the appropriate penalty for the violation(s) is eight hundred eighty-four dollars (\$884.00). This penalty has been adjusted to reflect Respondent's size of business.

#### **Effect of Settlement and Reservation of Rights**

56. Full payment of the penalty proposed in this Consent Agreement shall only resolve Respondent's liability for federal civil penalties for the violations alleged herein. Complainant reserves the right to take any enforcement action with respect to any other violations of TSCA or any other applicable law.

57. The effect of settlement described in the immediately preceding paragraph is conditioned upon the accuracy of Respondent's representations to the EPA, as memorialized in paragraph directly below.

58. Respondent certifies by the signing of this Consent Agreement that it is presently in compliance with all requirements of TSCA and its implementing regulations.

59. Full payment of the penalty proposed in this Consent Agreement shall not in any case affect the right of the Agency or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. This Consent Agreement and Final Order does not waive, extinguish or otherwise affect Respondent's obligation to comply with all applicable provisions of TSCA and regulations promulgated thereunder.

60. Complainant reserves the right to enforce the terms and conditions of this Consent Agreement and Final Order.

61. This CAFO constitutes a “prior such violation” as that term is used in EPA’s Interim Final Consolidated Enforcement Response and Penalty Policy for the Pre-Renovation Education Rule; Renovation, Repair and Painting Rule; and Lead-Based Paint Activities Rule to determine Respondent’s “history of prior such violations” under Section 16(a)(2)(B) of TSCA, 15 U.S.C. § 2615(a)(2)(B).

### **General Provisions**

62. By signing this Consent Agreement, the undersigned representative of Respondent certifies that he or she is fully authorized to execute and enter into the terms and conditions of this Consent Agreement and has the legal capacity to bind the party he or she represents to this Consent Agreement.
