Re: Emergency Administrative Order Closure
First Interstate Inn Public Water System
Docket No. SDWA-08-2012-0002
PWS ID #WY5600375

Dear Registered Agent and Mr. Patel:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Emergency Administrative Order (Emergency Order), issued on November 1, 2011, to Yogi LLC and Sanjay V. Patel. EPA has determined that all actions outlined in EPA's Emergency Order have been completed and the water provided by the First Interstate Inn water system no longer presents an imminent and substantial endangerment to public health. Therefore EPA will close the Emergency Order at this time. The Administrative Order EPA issued on September 6, 2011, remains in full force and effect.

Please be aware that First Interstate Inn is still required to comply with the National Primary Drinking Water Regulations (NPDWR), 40 C.F.R. part 141. Violation of the NPDWRs may result in a court-imposed injunction and penalties of up to \$37,500 per day of violation.

EPA thanks you for the actions taken to protect public health at the water system. If you have any questions about this closure, please call Kathelene Brainich at 303-312-6481.

Sincerely,

Kimberly Pardue-Welch, Team Leader
