USEPA Region 8
1595 Wynkoop Street (8RC)

To Whom it May Concern:

On 9-27-10 three EPA people came into the shop unannounced. They inspected and said these three drains need to be plugged off. I asked if concreting them over would be okay? They said yes. On 10-20-10 I plugged three drains with concrete and took these pictures.
I presumed the EPA people would come back unannounced again to inspect.

I received a certified letter 8-31-11 and read it 9-1-11. It said I wasn't in compliance and could be fined a max of \$177,500 and \$16,000 per day. I am sending photos of the work complete on 10-20-10. If this isn't sufficient come and inspect it.

I left phone messages with Britta and Marc on 9-1-11.

Sincerely,

Leonard Vahsholtz
