4. This Consent Agreement, upon incorporation into a final order, applies to and is binding upon EPA and upon Respondent and Respondent's successors and assigns. Any change in Respondent's ownership or operation of the public water system at issue, including, but not limited to, any transfer of assets or real or personal property, shall not alter the Respondent's responsibilities under this Consent Agreement. This Consent Agreement contains all terms of the settlement agreed to by the parties.

5. The Respondent consents and agrees to pay a civil penalty in the amount of four thousand and five hundred dollars (\$4,500) in the manner described below:

- e. The Respondent agrees that the penalty shall never be claimed as a federal or other tax deduction or credit.

6. Nothing in this Consent Agreement shall relieve the Respondent of the duty to comply with the Act and its implementing regulations.

8. Nothing in this Consent Agreement shall be construed as a waiver by the EPA or any other federal entity of its authority to seek costs or any appropriate penalty associated with any collection action instituted as a result of the Respondent's failure to perform pursuant to the terms of this Consent Agreement.

9. The undersigned representative of the Respondent certifies that he is fully authorized to enter into the terms and conditions of this Consent Agreement and to bind the Respondent to the terms and conditions of this Consent Agreement.
