Re: Case Closure, Ranch House of Dupuyer Public Water System, Docket No. SDWA-08-2009-0036

Dear Mr. and Mrs. Thompson:

I am writing to notify you that the terms of the Consent Agreement filed with the presiding officer on August 30, 2012 in the above-reference matter have been fully satisfied. I was notified on September 26, 2012, that payment of the penalty had been received in full. This matter is now closed. Thank you on behalf of the U.S. Environmental Protection Agency for your commitment to fulfilling the terms of our agreement.

Although the Ranch House of Dupuyer public water system currently is closed, please do not hesitate to contact Sienna Meredith of the EPA Montana Office at (406) 457- 5026 for assistance in understanding the regulatory requirements should you decide to re-open the system.

Sincerely,
