Dear Mr. Miller:

As you are aware, on August 18, 2021, the U.S. Environmental Protection Agency (EPA) emailed STL Oil & Gas, LLC a Safe Drinking Water Act (SDWA) Proposed Administrative Order to address specific SDWA violations. After receipt of the EPA correspondence, STL Oil & Gas, LLC addressed the violations specified in the Proposed Administrative Order; therefore, EPA shall not issue the corresponding Final Administrative Order. Thank you for your attention to this matter. If you have any questions, please contact Jeanne Eckhart of my staff, at 214-665-8174.

Sincerely,
