RE: Motion for an extension of 30 days - In the Matter of Crabtree Development, LLC, and R.A Powell Construction Corp.

Docket No. CWA-01-2010-0014

Dear Ms. Santiago:

Pursuant to 40 C.F.R. Sections 22.5, 22.7 & 22.16; the parties named in the above referenced matter, Mr. Richard D. Roper and Mr. Steven R. Powell move for an extension of 30 days to respond.

As is referenced and stated in part in a letter from Susan Studlien to the above referenced parties in a letter dated 10 June 2010, ... "you may confer informally with the EPA concerning the alleged violations, the amount of the penalty and/or the possibility of a settlement." I have been authorized Mr. Roper and Mr. Powell to engage in informal discussions on their behalf and have initiated those discussions.

Through informal discussions with EPA's legal counsel on this case, Joanna Jerison, we are in the process of setting up meetings and she has indicated that she "assents" to the motion for a request of a 30 day extension. Therefore, as the parties named received EPA's filings on or after June 12, 2010 the motion for extension is requested to be until August 12, 2010.

Additionally, for administrative efficiencies and to reduce costs to all parties, we respectfully request that future filings be allowed to be filed and transmitted electronically.
