ORDER MEMORIALIZING EXTENSION

EPA filed a motion seeking an extension of time for the due date of the Prehearing Exchange in this matter.¹ In a conference call with the parties the Court orally granted the motion, giving the parties until April 27, 2009 to either file a Consent Agreement/Final Order or submit the required filings under the Prehearing Order. This Order simply memorializes the oral order.

¹Regrettably, EPA's Motion is rife with errors, incorrectly listing the statute involved as a RCRA matter when it is a TSCA case. Further, EPA lists the due dates as 2008 when the correct year is 2009. While no one is perfect, counsel should pay attention to the details in its submissions.
