MOTION FOR EXTENSION

Docket No. RCRA-02-2009-9208

REGIONAL HEARING
CLERK

MOTION FOR EXTENSION OF TIME

In regard to the Prehearing Order dated January 27, 2008 issued by Administrative Law Judge William B. Moran, presiding officer in this case, counsel for Complainant submits the following motion for extension of time.

The parties held a settlement conference on February 23, 2008. As of this writing, the parties have reached an agreement and a settlement document was sent to Respondent's counsel for review. Following discussion of that document, there are no disagreements as to the terms of the settlement. However, obtaining all of the appropriate approvals of upper management at EPA may take several weeks (I expect that it will also take time for Respondent to obtain final approval and signature.). The Prehearing Exchange is currently due on March 27, 2008.

The Complainant proposes that the parties be granted a 30 day extension to the schedule set forth in the Prehearing Order. This would give the parties until April 27, 2008 to obtain the necessary approvals and file either a Consent Agreement/Final Order signed by both parties or, in the unlikely event that the necessary approvals are not given, to file the Initial Prehearing Exchange. Respondent's counsel is in full agreement with this Motion.

Thank you for your consideration.

Sincerely,

Stuart N. Keith

Counsel for Complainant
