Subject: RE: ALJ ADR

Dear Ms. Beale,

I am writing in response to the March 7, 2013, letter from Chief Judge Biro offering ADR to the parties. Region 5 respectfully declines the offer. The Parties have employed the use of a third-party neutral prior to filing the complaint. Additionally, the Respondent is now represented by counsel. Counsel for the Parties have and will continue to attempt to negotiate between themselves or with the assistance of the existing third-party neutral. Thank you for the offer.

Sincerely,

Richard J. Clarizio
