distribute or sell to any person any pesticide that is not registered under Section 3 of FIFRA, 7 U.S.C. § 136a.

18. Pursuant to 40 C.F.R. § 152.15, no person may distribute or sell any pesticide product that is not registered under the Act, except as provided in 40 C.F.R. §§ 152.20, 152.25, and 152.30. A pesticide is any substance (or mixture of substances) intended for a pesticidal purpose, i.e., use for the purpose of preventing, destroying, repelling, or mitigating any pest or use as a plant regulator, defoliant, or desiccant. A substance is considered to be intended for a pesticidal purpose, and thus to be a pesticide requiring registration, if:
  - (a) The person who distributes or sells the substance claims, states, or implies (by labeling or otherwise):
    - i. That the substance (either by itself or in combination with any other substance) can or should be used as a pesticide; or
    - ii. That the substance consists of or contains an active ingredient and that it can be used to manufacture a pesticide; or
  - (b) The substance consists of or contains one or more active ingredients and has no significant commercially valuable use as distributed or sold other than:
    - i. use for pesticidal purpose (by itself or in combination with any other substance);
    - ii. use for manufacture of a pesticide; or
  - (c) The person who distributes or sells the substance has actual or constructive knowledge that the substance will be used, or is intended to be used, for a pesticidal purpose.
19. Pursuant to 40 C.F.R. § 167.3, “pesticidal product” means a pesticide, active ingredient, or device.
20. Section 14(a) of FIFRA, 7 U.S.C. § 136l(a), in conjunction with 40 C.F.R. Part 19, Adjustments of Civil Monetary Penalties for Inflation, authorizes the assessment of a civil penalty for violations of the Act.

#### **IV. FINDINGS OF FACTS**

21. Respondent is a “person” as defined in Section 2(s) of FIFRA, 7 U.S.C. § 136(s), and as such is subject to FIFRA and the regulations promulgated thereunder.
22. On or about April 12, 2022, an authorized representative of the EPA conducted an inspection at Florida Labs’ Facility located at 6245 Powerline Road, Number 103, Fort Lauderdale, Florida 33309 (Facility).
23. During the inspection, the authorized representative collected labels for the products Oxalic Acid 99.6% and Pure Granular Boric Acid, as well as sales and shipping records documenting Florida Labs’ sale and distribution of Oxalic Acid 99.6% and Pure Granular Boric Acid on one or more occasions between February and April 2022.
24. The EPA reviewed the labels, which included a reference to Florida Labs’ website, <https://flalab.com/>. The website included an add-to-cart for purchase of the company’s products and made the following pesticidal claims for Oxalic Acid 99.6% and Pure Granular Boric Acid: (1) “Oxalic Acid dihydrate is used as a treatment for the removal of natural microorganisms” and “Oxalic Acid 99.6 % is used in industries to sterilize equipment;” and (2) Pure Granular Boric Acid (H<sub>3</sub>BO<sub>3</sub>) is “used to control cockroaches, termites, fire ants, fleas and silverfish,” and “Can prevent algae growth in a marine environment.”

25. The pesticidal claims appearing on the website for Oxalic Acid 99.6% and Pure Granular Boric Acid indicated that the products were intended for use as pesticides, and as such, these products are pesticides pursuant to 40 C.F.R. § 152.15, and as defined in Section 2(u) of FIFRA, 7 U.S.C. § 136(u). Pesticides are required to be registered with the EPA pursuant to Section 3 of FIFRA, 7 U.S.C. § 136a. However, at the time of the inspection, these pesticide products were not registered.
26. The sales and shipping records collected during the inspection confirm that Florida Labs distributed and sold the unregistered pesticides Oxalic Acid 99.6% and Pure Granular Boric Acid on one or more occasions between February and April 2022.

## **V. ALLEGED VIOLATIONS**

27. The EPA alleges that Respondent violated Section 12(a)(1)(A) of FIFRA, 7 U.S.C. § 136j(a)(1)(A), by distributing and selling unregistered pesticides as described in Section IV above on one or more occasions between February and April 2022, and is, therefore, subject to the assessment of civil penalties under Section 14 of FIFRA, 7 U.S.C. § 136l.

- (d) by executing this CAFO, certifies to the best of its knowledge that Respondent is currently in compliance with all relevant requirements of FIFRA and its implementing regulations, and that all violations alleged herein, which are neither admitted nor denied, have been corrected;

## VII. TERMS OF PAYMENT

32. Based on Respondent’s substantiated ability to pay claim, and in accordance with the Act, the EPA has determined that **NINETY-EIGHT THOUSAND SIX HUNDRED DOLLARS (\$98,600.00)** is an appropriate civil penalty to settle this action, which Respondent consents to pay as follows:

- (c) If Respondent fails to make one of the installment payments in accordance with the schedule set forth above, the entire unpaid balance of the penalty and all accrued interest shall become due immediately upon such failure, and Respondent shall immediately pay the entire remaining principal balance of the civil penalty along with any interest that has accrued up to the time of such payment. In addition, Respondent shall pay a non-payment penalty and other charges as described below in Paragraph 35 in the event of any such failure or default.
- (d) Further, if Respondent fails to pay the installment payments in accordance with the schedule set forth above, the EPA may take action as set forth below in Paragraph 36.
- (e) Notwithstanding Respondent's agreement to pay the assessed civil penalty in accordance with the installment schedule set forth above, Respondent may pay the entire civil penalty of **NINETY-EIGHT THOUSAND SIX HUNDRED DOLLARS** (\$98,600.00) within thirty (30) days of the Effective Date of this CAFO and, thereby, avoid the payment of interest pursuant to 40 C.F.R. § 13.11(a). Pursuant to 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to remit the civil penalty as agreed to herein, the EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the costs of processing and handling the delinquent claim. Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:

- (a) Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within thirty (30) days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within thirty (30) days of the Effective Date of this CAFO, interest will continue to accrue on any unpaid portion until the unpaid portion of the penalty and accrued interest is paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b), and 40 C.F.R. § 13.11(a).
- (b) Non-Payment Penalty. On any portion of a civil penalty more than ninety (90) days past due, Respondent must pay a non-payment penalty of not more than six percent (6%) per annum, which will accrue from the date the penalty payment became due and is not paid, as provided in 31 U.S.C. § 3717(e)(2) and 31 C.F.R. § 901.9(d). This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. *See* 40 C.F.R. § 13.11(c).

- (c) Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average costs incurred. *See* 31 C.F.R. § 901.9(c) and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.
36. If Respondent fails to timely pay any portion of the penalty assessed under this CAFO, pursuant to Section 14(a)(5) of FIFRA, 7 U.S.C. § 136l(a)(5), the EPA may:
- (a) refer the debt to a credit reporting agency or a collection agency pursuant to Section 14(a) of FIFRA, 7 U.S.C. § 136l(a) (*see* 40 C.F.R. §§ 13.13 and 13.14);
  - (b) collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (*see* 40 C.F.R. Part 13, Subparts C and H);
  - (c) suspend or revoke Respondent’s licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds (*see* 40 C.F.R. § 13.17); and/or
  - (d) request that the Attorney General bring a civil action in the appropriate district court to recover the amount assessed pursuant to Section 14(a)(5) of FIFRA, 7 U.S.C. § 136l(a)(5).
37. Pursuant to 26 U.S.C. § 6050X and 26 C.F.R. § 1.6050X-1, the EPA is required to send a completed Form 1098-F (“Fines, Penalties, and Other Amounts”) to the Internal Revenue Service (IRS) annually with respect to any court order and settlement agreement (including administrative settlements), that requires a payor to pay an aggregate amount that the EPA reasonably believes will be equal to, or in excess of, \$50,000 for the payor’s violation of any law or the investigation or inquiry into the payor’s potential violation of any law, including amounts paid for “restitution or remediation of property” or to come “into compliance with a law.” The EPA is further required to furnish a written statement, which provides the same information provided to the IRS, to each payor (for example, a copy of Form 1098-F). In order to provide the EPA with sufficient information to enable it to fulfill these obligations, the EPA herein requires, and Respondent herein agrees, that:
- (a) Respondent shall complete a Form W-9 (“Request for Taxpayer Identification Number and Certification”), which is available at <https://www.irs.gov/pub/irs-pdf/fw9.pdf>;
  - (b) Respondent shall therein certify that its completed Form W-9 includes Respondent’s correct Tax Identification Number (TIN) or that Respondent has applied and is waiting for issuance of a TIN;
  - (c) Respondent shall email its completed Form W-9 to the EPA Region 4 Cincinnati Finance Center contact, Jessica Henderson ([henderson.jessica@epa.gov](mailto:henderson.jessica@epa.gov)), on or before the date that Respondent’s initial penalty payment is due, pursuant to Paragraph 32 of this CAFO, and the EPA recommends encrypting Form W-9 email correspondence; and

(d) In the event that Respondent has certified in its completed Form W-9 that it has applied for a TIN and that TIN has not been issued to Respondent by the date that its initial penalty payment is due, then Respondent, using the same email address identified in the preceding sub-paragraph, shall further:

- i. notify EPA's Cincinnati Finance Center of this fact, via email, by the date that Respondent's initial penalty payment is due; and
- ii. provide EPA's Cincinnati Finance Center with Respondent's TIN, via email, within five (5) days of Respondent's issuance and receipt of the TIN.

(e) Failure to comply with providing Form W-9 or TIN may subject Respondent to a penalty. See 26 U.S.C. § 6723, 26 U.S.C. § 6724(d)(3), and 26 C.F.R. § 301.6723-1.

38. Penalties paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

### **VIII. EFFECT OF CAFO**

39. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged above.

40. In accordance with 40 C.F.R. § 22.18(c), full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall satisfy the requirements of this CAFO; but shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.

41. Any violation of this CAFO may result in a civil judicial action for civil penalties as provided in Section 14(a) of the Act, 42 U.S.C. § 136l(a), as well as criminal sanctions as provided in Section 14(b) of the Act, 42 U.S.C. § 136l(b). The EPA may use any information submitted under this CAFO in an administrative, civil judicial, or criminal action.

42. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of FIFRA and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.

43. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.

44. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.

45. The provisions of this CAFO shall apply to and be binding upon Respondent and its successors and assigns. Respondent shall direct its officers, directors, employees, agents, trustees, and authorized representatives to comply with the provisions of this CAFO.

46. Any change in the legal status of the Respondent, or change in ownership, partnership, corporate or legal status relating to the Facility, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
47. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information or personally identifiable information.
48. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
49. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
50. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
51. The EPA reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
52. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
53. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

#### **IX. EFFECTIVE DATE**

54. This CAFO shall become effective upon execution of the Final Order by the Regional Judicial Officer on the date of filing with the Regional Hearing Clerk.
