ORDER EXTENDING ANSWER DATE

Both parties have filed Status Reports that indicate that there have been positive settlement negotiations in this case, however those negotiations paused due to the illness of Mr. T. John Mulkey, the owner and representative of the Respondent in these proceedings. Mr. Mulkey passed away on April 8, 2010. Respondent requested additional time to resolve this matter, and Complainant indicated its intention to allow additional time. I agree that under the circumstances an extension of time to permit the parties to resolve this matter is appropriate. Neither party proposed an extension of a particular length of time. Therefore, on my own initiative, I am extending the due date for Respondent's answer to **July 30, 2010**.

SO ORDERED, this 15th day of April 2010.

REGIONAL JUDICIAL OFFICER
