Ms. Vidmar and Ms. Garypie,

EPA filed a fully executed consent agreement and final order in the above-referenced matter with the Regional Hearing Clerk today. In light of that filing, does Sun Chemical intend to withdraw its motion for an extension of time?

If so, pursuant to 40 C.F.R. § 22.5(b)(2), I am authorizing you to file and serve the motion to withdraw electronically. The Regional Hearing Clerk's email address is: whitehead.ladawn@epa.gov. I am copying her on this message so that she knows you have authorization to file electronically and so that she includes this message in the record for this matter.

Sincerely,

Thank you for your message. Yes, we will file a motion to withdraw the extension of time. (We were waiting for the CAFO to be filed and were concerned that it would not be signed and filed by EPA before our Answer was due.) We appreciate the ability to file and serve the motion electronically.
