Re: In the Matter of Administrative
Compliance Order Docket No.
CWA-08-2009-0019

Dear Mr. Trainor:

On June 30, 2009, the U.S. Environmental Protection Agency (EPA) issued an Order for Compliance (Docket Number CWA-08-2009-0019) to the City of Grand Junction (the City). This Order required the City to comply with the federal Pretreatment regulations, found in 40 C.F.R. § 403, and the Clean Water Act as amended in 33 U.S.C. § 1251 *et seq.*

The City has complied with all provisions of the Order. Therefore, for administrative purposes, the file on the Order (Docket Number CWA-08-2009-0019) is considered closed as of the date of this letter.

Please be aware that the City is still required to comply with all conditions of its National Pollutant Discharge Elimination System (NPDES) Permit (CO0040053), Pretreatment regulations and the Clean Water Act. Future non-compliance may result in additional enforcement action(s), which could include penalties of up to \$37,500 per day per violation.

If you have any questions regarding this letter, the most knowledgeable person on my staff is Stephanie Gieck, Environmental Scientist, who can be reached at (303) 312-6362.

Sincerely,
