EXPEDITED SETTLEMENT AGREEMENT INSTRUCTIONS
UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
REGION 10
1200 Sixth Avenue, Suite 900

INSTRUCTIONS

The United States Environmental Protection Agency (EPA) has authority under Section 309 of the Clean Water Act to pursue civil penalties for violations of the storm water regulations. EPA encourages the expedited settlement of certain violations of storm water requirements, such as the violations cited in the Expedited Settlement Agreement ("Agreement") for which these instructions are provided.

You may resolve this matter quickly by: (1) correcting all deficiencies identified by EPA in the *Deficiencies Form*; (2) detailing your corrective actions in a written report; (3) signing the original Agreement; and (4) submitting your penalty payment by check with case name and docket number noted.

Within THIRTY (30) DAYS from your receipt of the Agreement, you must send the original, signed Agreement, the report detailing your corrective actions, and a photocopy of your penalty check, via certified mail, to:

U.S. EPA, Region 10
1200 Sixth Avenue, Suite 900, OCE-101
Seattle, WA 98101
Attn: Chris Gebhardt, NPDES Compliance Officer

You must also send a photocopy of the Agreement and your original penalty check with the case name and docket number noted, via certified mail, to:

Carnahan: North Basin Subdivision/Colburn Property
Docket No.: CWA-10-2017-0043
P.O. Box 979077
St. Louis, MO 63197-9000

Please retain copies of the signed agreement, the report detailing your corrective actions and the penalty check for your own records.

You may contact the person listed below and request an extension. EPA will consider whether to grant an extension on a case-by-case basis. If you believe that the alleged violations are without merit (and you can provide evidence contesting the allegations) you must provide such information to EPA as soon as possible but no later than THIRTY (30) days from your receipt of the Agreement.

If you choose to sign and return the Agreement, you waive your opportunity for a hearing and to appeal pursuant to Section 309 of the Clean Water Act. If you choose not to sign and return the Agreement or contact EPA within THIRTY (30) days, the Agreement will be automatically withdrawn, without prejudice to EPA's ability to file an enforcement action for the violations alleged herein or any other violations. EPA may choose to pursue more formal enforcement measures to correct the violation(s) and seek penalties of up to a maximum penalty of \$37,500 per day per violation. Failure to return the Agreement within the approved time does not relieve you of the responsibility to comply fully.

In accordance with 40 C.F.R. § 22.45, EPA must issue a Public Notice of the Agreement. The Public Notice allows the general public to submit comments on the Agreement to the Regional Hearing Clerk within thirty days of issuance of the Public Notice. In addition, EPA generally issues a press release announcing the Agreement.

If you have any questions, please contact Chris Gebhardt, Compliance Officer, EPA, at (206) 553-0253.
