Preliminary Statement

1. This is an administrative action commenced and concluded under Section 14(a) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. § 136l(a), and Sections 22.13(b) and 22.18(b)(2) and (3) of the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits* (Consolidated Rules) as codified at 40 C.F.R. Part 22.
2. The Complainant is the Director of the Land and Chemicals Division, U.S. Environmental Protection Agency, Region 5.
3. Respondent is Safety King, Inc., a corporation doing business in the State of Michigan.
4. Where the parties agree to settle one or more causes of action before the filing of a complaint, the administrative action may be commenced and concluded simultaneously by the issuance of a consent agreement and final order (CAFO). 40 C.F.R. § 22.13(b).
5. The parties agree that settling this action without the filing of a complaint or the adjudication of any issue of fact or law is in their interest and in the public interest.
6. Respondent consents to the assessment of the civil penalty specified in this

CAFO, and to the terms of this CAFO.

Jurisdiction and Waiver of Right to Hearing

7. Respondent admits the jurisdictional allegations in this CAFO and neither admits nor denies the factual allegations in this CAFO.

8. Respondent waives its right to request a hearing as provided at 40 C.F.R. § 22.15(c), any right to contest the allegations in this CAFO, and its right to appeal this CAFO.

9. Respondent certifies that it is complying with FIFRA, 7 U.S.C. §§ 136 to 136y.

Statutory and Regulatory Background

10. Section 12(a)(1)(A) of FIFRA, 7 U.S.C. § 136j(a)(1)(A), states that it is unlawful for any person in any state to distribute or sell to any person any pesticide that is not registered under Section 3 of FIFRA, 7 U.S.C. § 136a.

11. The term “distribute or sell” means “to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver.” 7 U.S.C. § 136(gg).

12. A “pesticide” is, among other things, any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating any pest. 7 U.S.C. § 136(u).

13. A “pest” is any insect, rodent, nematode, fungus, weed, or any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other micro-organism which the Administrator of EPA declares to be a pest under Section 25(c)(1) of FIFRA. 7 U.S.C. § 136(t).

14. A substance is considered to be intended for a pesticidal purpose, and thus to be a pesticide requiring registration, if the person who distributes or sells the substance claims, states,

or implies (by labeling or otherwise) that the substance can or should be used as a pesticide.
40 C.F.R. § 152.15(a)(1).

15. The Administrator of EPA may assess a civil penalty against any wholesaler, dealer, retailer, other distributor who violates any provision of FIFRA of up to \$6,500 for each offense that occurred after March 15, 2004 through January 12, 2009, pursuant to Section 14(a)(1) of FIFRA, 7 U.S.C. § 136l(a)(1), and 40 C.F.R. Part 19.

Factual Allegations and Alleged Violations

16. Respondent is a “person” as defined at Section 2(s) of FIFRA, 7 U.S.C. § 136(s).

17. Respondent owned or operated a place of business located at 50000 Ryan Road, Utica, Michigan, during the calendar year 2006.

18. On January 20, 2006, an inspector employed by the Michigan Department of Agriculture and authorized to conduct inspections under FIFRA conducted an inspection at Respondent’s place of business in Utica, Michigan.

19. During the January 20, 2006 inspection, the inspector observed the products “Aeris-Guard Advanced Duct and Surface Treatment” and “Aeris-Guard Total Air Care Pack” which Respondent was holding for distribution or sale.

20. During the January 20, 2006 inspection, the inspector collected copies of information found online at Respondent’s world wide web address, www.ductpro.com, and a Material Safety Data Sheet for “Aeris-Guard Advanced Duct and Surface Treatment” which made the following pesticidal claims:

a. “This is a duct sanitizer that leaves a residual layer of protection against

microbial growth on the interior surfaces of the air ducts.”

- b. “Effective against all molds and bacteria...”
- c. “Application: Bactericidal Duct Treatment.”

21. During the January 20, 2006 inspection, the inspector collected copies of the label for “Aeris-Guard Total Air Care Pack” which made the following pesticidal claims:

- a. Air conditioning systems provide perfect environments for the growth of mold, fungal spores and bacteria.... The Aeris Guard treatment pack addresses the problem at its source by first removing the dangerous build up of micro-organisms from the air conditioning system. Aeris Guard then provides a protective barrier, inhibiting any recontamination.”
- b. “Breakthrough bioactive treatment to protect against mild, bacteria and fungal contamination in home and office air conditioning systems.”

22. “Aeris-Guard Advanced Duct and Surface Treatment” and “Aeris-Guard Total Air Care Pack” are each a “pesticide” as defined at Section 2(u) of FIFRA, 7 U.S.C. § 136(u).

23. Respondent held “Aeris-Guard Advanced Duct and Surface Treatment” and “Aeris-Guard Total Air Care Pack” for distribution on January 20, 2006.

24. “Aeris-Guard Advanced Duct and Surface Treatment” and “Aeris-Guard Total Air Care Pack” were not registered as a pesticide with EPA under Section 3 of FIFRA, 7 U.S.C. § 136a, on January 20, 2006.

25. Respondent’s distribution or sale of the unregistered pesticides “Aeris-Guard Advanced Duct and Surface Treatment” and “Aeris-Guard Total Air Care Pack” each constitutes

an unlawful act pursuant to Section 12(a)(1)(A) of FIFRA, 7 U.S.C. § 136j(a)(1)(A).

Civil Penalty

26. Pursuant to Section 14(a)(4) of FIFRA, 7 U.S.C. § 136l(a)(4), Complainant determined that an appropriate civil penalty to settle this action is \$500.00. In determining the penalty amount, Complainant considered the appropriateness of the penalty to the gravity of the violation, the size of Respondent's business, the effect on Respondent's ability to continue in business and the Respondent's ability to pay the penalty. Complainant also considered EPA's *Enforcement Response Policy for the Federal Insecticide, Fungicide, and Rodenticide Act*, dated July 2, 1990.

27. Within 30 days after the effective date of this CAFO, Respondent must pay a \$500.00 civil penalty for the FIFRA violations. Respondent must pay the penalty by sending a cashier's or certified check, payable to the "Treasurer, United States of America," to:
