RE: Polar Environmental Services Inc.

Dear Mr. Siegal:

Pursuant paragraph 75 of the June 29, 2016 Consent Agreement and Final Order (CAFO) in the above-referenced matter, EPA is informing you that Polar Environmental Services has completed the Supplemental Environmental Project and the SEP Reports, and that EPA requires no further information from you at this time. Please note that this determination concludes the CAFO; it is not intended as a prohibition on the exercise of other authority by EPA or the State of Michigan at Polar's facility.

Please feel welcome to contact Tom Williams of the EPA Region 5 Office of Regional Counsel at (312) 886-0814 or williams.tom@epa.gov if you have questions.

Sincerely,

Julie Morris, Manager
