REPORT RECOMMENDING TERMINATION  
OF ALTERNATIVE DISPUTE RESOLUTION PROCESS

The Report approved September 8, 2016 provides that this alternative dispute resolution (ADR) process terminates September 30, 2016. The parties have reached a settlement in principle in this matter and are in the process of drafting and finalizing a Consent Agreement and Final Order ("CAFO"). Nonetheless, the CAFO has not been executed.

I am recommending to the Chief Administrative Law Judge that the case be held in abeyance for a short period of time because the parties have expended a great deal of effort and time in negotiating this settlement that covers complex legal and factual matters.

The parties are commended for their success in negotiating their agreement. The undersigned expresses her appreciation to the parties for the courtesy and candor with which they participated in the ADR process.
