**Joint Motion for Extension of Alternative Dispute Resolution Period**

The Complainant, United States Environmental Protection Agency, Region 1 ("EPA"), and the Respondents, JIDDU/SITTU Trust LLC and CRC Excavating, Inc., jointly request a second thirty (30) day extension to the deadline until February 4, 2000 to reach a settlement through the Office of Administrative Law Judges' alternative dispute resolution process. The parties have reached a settlement in principle and expect to be able to finalize a settlement during the extension period. The parties will continue to work with the designated neutral, Judge Spencer T. Nissen, to resolve all remaining issues in order to achieve a settlement.

Respectfully submitted,
