Joint Motion for Extension of Alternative Dispute Resolution Period

The Complainant, United States Environmental Protection Agency, Region 1 ("EPA"), and the Respondents, JIDDU/SITTU Trust and CRC Excavating LLC, jointly request a thirty (30) day extension to the deadline to reach a settlement through the Office of Administrative Law Judges' alternative dispute resolution process. The parties have been negotiating a settlement in good faith and expect to be able to finalize a settlement during the extension period. The parties will continue to work with the designated neutral, Judge Spencer T. Nissen, to resolve all remaining issues in order to achieve a settlement.

Respectfully submitted,
