Docket No. RCRA-06-2013-0903

Respondent.

**ORDER**

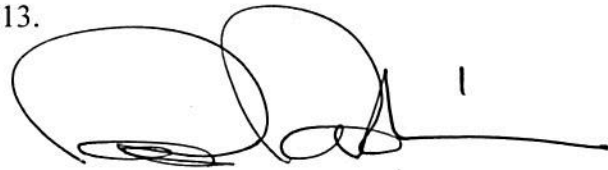

By Order dated September 25, 2013, I extended the time for filing an Answer herein until October 31, 2013. The purpose of that Order was to allow the parties additional time to prepare, review, and make any necessary changes to a mutually agreeable Consent Agreement and Final Order. Because two prior extensions had been granted, the September 25, 2013 Order provided that no further extensions would be granted.

Since that Order was issued, a lapse in appropriations resulted in a 16 day furlough of counsel for Complainant, who was thus prohibited by law from pursuing amicable resolution of this matter for 16 days. I did not foresee that extraordinary circumstance on September 25, 2013.

Counsel for Complainant is no longer furloughed and by unopposed Motion seeks an additional extension of Respondent's time for filing an Answer.

**IT IS ORDERED THAT** the time for filing an Answer and Request for Hearing in this matter be and the same is hereby extended until November 18, 2013.

So ordered this 22d day of November 2013.

Regional Judicial Officer
