Re: Drainage Ditch No. 15 North
Termination of Administrative Order for Compliance on Consent

Dear Sirs:

On June 14, 2013, an Administrative Order for Compliance (CWA-07-2013-0032) was issued by the U.S. Environmental Protection Agency to you for the referenced project, under the authority of Section 309(a) of the Clean Water Act, 33 U.S.C. § 1319(a). The EPA has reviewed the information submitted in response to the Order. This letter serves as a notification to you that the EPA is terminating the referenced Order. The EPA's decision to terminate the Order is conditioned upon the accuracy of your representations to the EPA in response to the requirements of the Order.

Termination of the Order in no way relieves you of the obligation to comply with the Clean Water Act and all applicable statutes and regulations. The effect of this termination is limited to the requirements imposed under the Order. The EPA reserves all of its authorities, both legal and equitable, under the CWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this termination letter or the above referenced enforcement action, please contact Lantz Tipton, of my staff, at (913) 551-7892, or Chris Muehlberger, Office of Regional Counsel, at (913) 551-7623.

Sincerely,

Jeffery Robichaud
Director
Water, Wetlands and Pesticides Division
