Re: Withdrawal of Proposed Administrative Order/Cancellation of Authorization by Rule
Docket No.: SDWA-06-2012-1108
Inventory No.: OS4708
Well No.: Mullendore 4-21
Location: NW/4, Sec. 21, T 29N, R 11E

Dear Mr. McCann:

You are fully compliant with the referenced Proposed Administrative Order issued on December 14, 2011. Therefore, we are withdrawing the Proposed Order.

You complied with the Order by converting the well to production use. We are, therefore, deleting it from our inventory of injection wells in Osage County, Oklahoma which are authorized by rule under the Underground Injection Control (UIC) program. Future use of this well for underground injection would require a UIC program permit.

Please contact Mr. Ronald Van Wyk at 214-665-6459 if you have any questions.

Sincerely yours,

Jerry Saunders
Associate Director
Water Enforcement Branch
