RE: *In Re Cityside Management Corporation, Docket No: TSCA 01-2017-0052*
Request for 30-day Extension of Time in Which to Answer the Complaint

Dear Ms. Jensen:

Respondent, now appearing pro se, hereby requests a 30-day extension of time, in which to file our Answer to the Complaint in the above referenced proceedings. The reason for the request is to provide the parties with additional time to discuss the possibility of settlement and, thereby, possibly avoid the time and expense involved in litigation, including the filing of an Answer. This request is submitted with an acknowledgement that the parties recently held a productive settlement meeting at the EPA offices in Boston and hope to make continued progress soon toward resolving the matter through a mutually agreeable settlement.

Respondent has contacted Complaint's attorney, Hugh W. Martinez, about this request and he has indicated that the EPA has no objection to your granting a 30-day extension of time for filing the Answer. This is the Respondent's first request for an extension. To the extent this additional time allows the parties to make further progress toward settlement and quite possibly, avoid the considerable expenditures required in litigation, Respondent respectfully request that you grant this request for more time.

Thank you for your attention to this request.

Sincerely,

Chris Dolloff, President,
Cityside Management Corp
