Administrative Compliance Order on Consent
USEPA Docket No. RCRA-06-2022-0939

ADMINISTRATIVE COMPLIANCE ORDER ON CONSENT

I. PRELIMINARY STATEMENT

1. This Administrative Compliance Order on Consent ("ACOC") is entered into by the United States Environmental Protection Agency, Region 6 ("EPA") and Respondent, Compass Instruments, LLC ("Respondent" or "Compass") and concerns the facility located at 321 S Persimmon St. Tomball, TX 77375 ("Facility").
2. Notice of this action has been given to the State of Texas, under Section 3008(a)(2) of RCRA, 42 U.S.C. § 6928(a)(2)¹.
3. For the purpose of these proceedings, Respondent admits the jurisdictional allegations herein; however, Respondent neither admits nor denies the specific factual allegations and

¹ On December 26, 1984, the State of Texas received final authorization for its base Hazardous Waste Management Program (49 FR 48300). Subsequent revisions have been made to the Texas Hazardous Waste Program and authorized by the EPA. Except as otherwise provided, all citations found within this order are to the "EPA-Approved Texas Statutory and Regulatory Requirements Applicable to the Hazardous Waste Management Program" dated December 2015, incorporated by reference under 40 C.F.R. § 272.2201(c)(1)(i) effective on April 10, 2020. 85 Fed. Reg. 20190 (April 10, 2020); 40 C.F.R. 272.2201: Texas State-Administered Program: Final Authorization. References and citations to the "EPA-Approved Texas Statutory and Regulatory Requirements Applicable to the Hazardous Waste Management Program" may vary slightly from the State of Texas' published version. The corresponding C.F.R. citations are also provided.

conclusions of law contained in this ACOC. This ACOC states claims upon which relief may be granted.

4. Respondent explicitly waives any right to contest the allegations and its right to appeal the proposed final order contained in this ACOC and waives all defenses which have been raised or could have been raised to the claims set forth in the ACOC.
5. Respondent consents to the issuance of the ACOC hereinafter recited and consents to the specific stated Compliance Order, Section VI, of this ACOC.

II. JURISDICTION

6. This ACOC is issued by the EPA pursuant to Section 3008(a) of the Resource Conservation and Recovery Act ("RCRA"), 42 U.S.C. § 6928(a), as amended by the Hazardous and Solid Waste Amendments of 1984 ("HSWA") and is simultaneously commenced and concluded through the issuance of this ACOC under 40 C.F.R. §§ 22.13(b) and 22.18(b)(2) and (3).
7. Respondent agrees to undertake and complete all actions required by the terms and conditions of this ACOC. In any action by the EPA or the United States to enforce the terms of this ACOC, Respondent agrees not to contest the authority or jurisdiction of the EPA to issue or enforce this ACOC and agrees not to contest the validity of this ACOC or its terms or conditions.

III. STATEMENT OF PURPOSE

8. This ACOC provides for the resolution of EPA Region 6's investigation of Respondent's Facility.
9. In entering into this ACOC, the mutual objectives of EPA, Region 6 and Respondent are to remedy, and/or prevent the potential endangerment to human health and/or the environment

from activities involving solid waste and hazardous waste, and to ensure that the injunctive relief that Respondent will complete as described in the Section VI, Compliance Order, is protective of human health and/or the environment.

IV. STATUTORY AND REGULATORY BACKGROUND

10. Federal regulation of hazardous waste is primarily based on RCRA, enacted on October 21, 1976, to amend the Solid Waste Disposal Act, and the Hazardous and Solid Waste Amendments (“HSWA”) enacted by Congress in 1984 to further amend the Solid Waste Disposal Act. RCRA establishes a “cradle-to-grave” program to be administered by the Administrator of EPA and authorized states for regulating the generation, transportation, treatment, storage, and disposal of hazardous waste. See 42 U.S.C. § 6901 et seq.
11. RCRA’s Subchapter III (RCRA §§ 3001-3023, 42 U.S.C. §§ 6921-6940, known as “Subtitle C”) required EPA to promulgate regulations establishing performance standards applicable to facilities that generate, transport, treat, store, or dispose of hazardous wastes. Together, RCRA Subtitle C and its implementing regulations, set forth at 40 C.F.R. Parts 260 – 279, comprise EPA’s RCRA hazardous waste program.
12. Pursuant to its authority under RCRA, EPA has promulgated regulations at 40 C.F.R. Parts 260 through 272 applicable to generators, transporters, and treatment, storage, and disposal facilities. These regulations generally prohibit treatment, storage, and disposal of hazardous waste without a permit or equivalent “interim status.” They prohibit land disposal of certain hazardous wastes and provide detailed requirements governing the activities of those who generate hazardous waste and those who are lawfully permitted to store, treat, and dispose of hazardous waste.

13. Pursuant to 40 C.F.R. § 261.2, a “solid waste” is any discarded material that is not otherwise excluded under 40 C.F.R. § 261.4(a), or that is not excluded by variance. A discarded material is any material which is abandoned, recycled, inherently waste-like, or a military munition. Materials are solid waste, as defined in 40 C.F.R. § 261.2, if they are abandoned by being disposed of, burned, or incinerated, or accumulated, stored, or treated (but not recycled) before, or in lieu of, being abandoned by being disposed of, burned, or incinerated.
14. A solid waste is a hazardous waste if it is not excluded from regulation as a hazardous waste under 40 C.F.R. § 261.4(b), and it exhibits any of the characteristics of hazardous waste identified in 40 C.F.R. Part 261, Subpart C, or it is listed in 40 C.F.R. Part 261, Subpart D.
15. Characteristic hazardous wastes are assigned “D” codes in 40 C.F.R. Part 261, Subpart C, depending on the specific hazardous characteristic that the waste exhibits.
16. An ignitable hazardous waste has a flash point of less than 60 degrees centigrade (140 degrees Fahrenheit) and is assigned the D001 hazardous waste code pursuant to 40 C.F.R. § 261.21.
17. A corrosive hazardous waste has a pH of less than or equal to 2.0 or greater than or equal to 12.5 and is assigned the D002 hazardous waste code pursuant to 40 C.F.R. § 261.22, and a reactive hazardous waste is assigned the D003 hazardous waste code pursuant to 40 C.F.R. § 261.23.
18. Listed wastes are assigned with “F”, “K”, “P”, and “U” codes in 40 C.F.R. Part 261, Subpart D, depending on the specific waste generated from a non-specific source, a specific source, or discarded commercial chemical products, off-specification species, container residues and spill residues therefrom.

19. 40 C.F.R. Parts 264 and/or 265 applies to owners and operators of facilities that treat, store, and/or dispose of hazardous waste.
20. The relevant RCRA statutory and regulatory requirements to this ACOC require that generators of solid waste and hazardous waste must, among other things:
 - A. Determine whether their generated solid wastes are hazardous, pursuant to 40 C.F.R. § 262.11;
 - B. Comply with the statutory notification requirements of Section 3010 of RCRA, 42 U.S.C. § 6930;
 - C. Comply with the manifest requirements, pursuant to 40 C.F.R. § 262.20; and
 - D. Determine its generator status by meeting the exemption conditions set forth at 40 C.F.R. § 262.34 or comply with the specific requirements set forth at 40 C.F.R. § 270.10.
21. The State of Texas is an approved state within the meaning of Section 3006 of RCRA, 42 U.S.C. § 6926.

V. FINDINGS OF FACT AND CONCLUSIONS OF LAW

22. Respondent is an authorized company in the State of Texas, authorized on May 23, 2011, and is located at 321 S Persimmon St. Tomball, TX 77375.
23. Respondent is a “person” within the meaning of Section 1004(15) of RCRA, 42 U.S.C. § 6903(15); and 30 Texas Administrative Code (“TEX.ADMIN. CODE”) § 3.2(25), [40 C.F.R. § 260.10].
24. The Facility identified in Paragraph 1 of this ACOC is a “facility” within the meaning of 30 TEX.ADMIN. CODE § 335.1(60), [40 C.F.R. § 260.10].

25. Respondent's Registered Agent for Service in the State of Texas is Joseph Wilson who is located at 321 S Persimmon St. Tomball, TX 77375.
26. Compass Instruments, LLC owns a facility that designs and builds control panels and industrial electronic instrumentation for oil and gas service companies.
27. During the period of 2021-2022, EPA conducted a RCRA investigation and record review ("Investigation") of Compass Instruments' performance as a generator of hazardous waste.
28. The Respondent purchased the Facility from the previous owner in October 2014.
29. With the purchase of the Facility Respondent took possession and ownership of the site, along with any remaining equipment and left-over materials.
30. Following the purchase of the Facility, Respondent discovered there was hazardous waste left on-site at the Facility. The Respondent as a result of the purchase inherited and therefore possessed this hazardous waste, which the Respondent later disposed of.
31. Pursuant to 30 Texas Admin. Code § 335.1(66), a generator is any person who possess municipal hazardous waste or industrial solid waste to be shipped to any other person.
32. EPA discovered that Respondent inherited hazardous waste from the previous facility and therefore "generated", and offered for transport and treatment, hazardous wastes as defined in 30 TEXAS ADMIN. CODE § 335.1 (70), [40 C.F.R. §§ 261.21, 261.22, 261.24, and 261.33].
33. Based on its review, EPA determined that Respondent purchased the facility from the previous owner who previously generated and left hazardous waste at the facility in quantities that exceeded the threshold amount of 100 kilograms of non-acute hazardous waste in a month, corresponding to Small Quantity Generator (SQG) status under 30 TEXAS ADMIN. CODE, Chapter 335, Subchapter C, [40 C.F.R. Part 262], for the periods that such wastes remained onsite.

34. Respondent was a "generator" of "hazardous waste" as those terms are defined in 30 TEXAS ADMIN. CODE §§ 335.1(66) & (70) [40 C.F.R. § 260.10].
35. As a generator of hazardous waste, Respondent was subject to Sections 3002 and 3010 of RCRA, 42 U.S.C. §§ 6922 and 6930, and the regulations set forth in 30 TEXAS ADMIN. CODE, Chapter 335, Subchapter C, [40 C.F.R Part 262].
36. On October 7, 2021, EPA submitted to Respondent an Opportunity to Confer letter. In a conference call on December 9, 2021, the EPA conferred with Respondent regarding the violations alleged therein and provided an opportunity for Respondent to submit additional information or materials. In response to EPA's request, Respondent submitted additional information and materials on or about December 13, 2021

Claim I. Notification Requirements

37. The allegations in Paragraphs 1-32 are realleged and incorporated herein by reference.
38. Pursuant to Section 3010(a) of RCRA, 42 U.S.C. § 6930(a), any person generating a characteristic or listed hazardous waste shall file with the Administrator or authorized State a notification stating the location and general description of such activity and the identified characteristic or listed hazardous wastes handled by such person. No identified characteristic or listed hazardous waste subject to this subchapter may be transported, treated, stored, or disposed of unless notification has been given as required by Section 3010(a) of RCRA, 42 U.S.C. § 6930(a).
39. Respondent did not file with the EPA or the State of Texas, an authorized state, an adequate and timely notification of its hazardous waste activities at the Facility during 2018 in

RCRA-06-2022-0939
Compass Instruments, LLC

violation of Section 3010(a) of RCRA, 42 U.S.C. § 6930(a) and 30 TEXAS ADMIN. CODE § 335.6(c).

40. At all times relevant to this ACOC, Respondent failed to comply with its notification requirements in violation of Section 3010(a) of RCRA, 42 U.S.C. § 6930(a).

Claim II. Failure to Operate within Its Stated Generator Status

41. The allegations in Paragraphs 1-32 are realleged and incorporated herein by reference.
42. Under 30 TEXAS ADMIN. CODE § 335.78(b), [40 C.F.R. § 261.5], any person who generates in excess of 100 kilograms of hazardous waste in any given calendar month is a Small Quantity Generator of hazardous waste and is subject to the applicable requirements of 30 TEXAS ADMIN. CODE § 335.
43. In 2018, the Facility exceeded its declared status and operated as a Small Quantity Generator of hazardous waste.
44. While operating the Facility as a Small Quantity Generator of hazardous waste, Respondent did not comply with one or more of the requirements for Small Quantity Generators under 30 TEXAS ADMIN. CODE, Chapter 335, Subchapter C [40 C.F.R. § 262.34].
45. At all times relevant to this ACOC, Respondent failed to comply with the SQG requirements in violation of 30 TEX. ADMIN. CODE, Chapter 335, Subchapter C, [40 C.F.R. Parts 262 through 268 and 270].

VI. COMPLIANCE ORDER

46. Pursuant to Section 3008(a) of RCRA, 42 U.S.C. § 6928(a), Respondent is hereby ordered to take the following actions, and within thirty (30) calendar days of the effective date of the settlement agreement, Respondent shall provide in writing the following:

RCRA-06-2022-0939
Compass Instruments, LLC

A. Respondent shall certify that the facility does not generate hazardous waste in quantities greater than 100 KG in a month.

47. In all instances in which this ACOC requires written submission to EPA, the submittal made by Respondent shall be signed by an owner or officer of Compass Instruments, LLC and shall include the following certification:

"I certify under the penalty of law that this document and all of its attachments were prepared by me or under my direct supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

Copies of all documents required by this ACOC shall be sent to the following:

U.S. EPA, Region 6
1201 Elm Street, Suite 500
Enforcement and Compliance Assurance Division (ECDSR)
ATTN: Ashley Pederson
Dallas, Texas 75270-2102

Where required, notice shall be sent electronically by email or telephone to Enforcement Officer Ashley Pederson, respectively at pederson.ashley@epa.gov or at 214-665-7561.

VII. TERMS OF SETTLEMENT

i. Modification

48. The terms, conditions, and compliance requirements of this ACOC may not be modified or amended except upon the written agreement of both parties, and approved by a Regional Judicial Officer, and such modification or amendment being filed with the Regional Hearing Clerk.

ii. Indemnification

49. Neither EPA nor the United States Government shall be liable for any injuries or damages to person or property resulting from the acts or omissions of Respondent, their officers, directors, employees, agents, receivers, trustees, successors, assigns, or contractors in carrying out the activities required by this ACOC, nor shall EPA or the United States Government be held out as a party to any contract entered into by Respondent in carrying out the activities required by this ACOC.

iii. Record Preservation

50. Respondent shall preserve, during the pendency of this ACOC, all records and documents in its possession or in the possession of its divisions, employees, agents, contractors, or successors, which in any way relate to this ACOC regardless of any document retention policy to the contrary.

iv. Cost

51. Each party shall bear its own costs and attorney's fees. Furthermore, Respondent specifically waives its right to seek reimbursement of its costs and attorney's fees under the Equal Access to Justice Act (5 U.S.C. § 504), as amended by the Small Business Regulatory Enforcement Fairness Act (P.L. 04-121), and any regulations promulgated pursuant to those Acts.

v. Reservation of Rights

52. Notwithstanding any other provisions of this ACOC, EPA retains all of its authority to take, direct, or order any and all actions necessary to protect public health or the environment or to prevent, abate, or minimize an actual or threatened release of hazardous substances, pollutants, or contaminants, or hazardous or solid waste or constituents of such wastes, on, at, or from the Facility, including but not limited to the right to bring enforcement actions under

RCRA, the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), and any other applicable statutes or regulations.

53. EPA reserves all of its statutory and regulatory powers, authorities, rights, remedies, both legal and equitable, that may pertain to Respondent's failure to comply with any of the requirements of this ACOC.
54. This ACOC shall not be construed as a covenant not to sue, release, waiver, or limitation of any rights, remedies, powers, claim, and/or authorities, civil or criminal, which EPA has under RCRA, CERCLA, or any other statutory, regulatory, or common law authority of the United States. Further, this ACOC does not resolve Respondent's liability for Federal civil penalties for the violations and facts set forth herein.

vi. Termination and Satisfaction

55. When Respondent believes that it has complied with all the requirements of this ACOC, including compliance with the Compliance Order, Respondent shall so certify in writing and in accordance with the certification language set forth in Section VI (Compliance Order). Unless the EPA, Region 6 objects in writing within sixty (60) days of EPA's receipt of Respondent's certification, then this ACOC is terminated on the basis of Respondent's certification.
56. EPA and Respondent agree to the use of electronic signatures for this matter. EPA and Respondent further agree to electronic service of this Administrative Compliance Order on Consent, pursuant to 40 C.F.R. § 22.6, by email to the following addresses:

Complainant:

FINAL ORDER

Pursuant to the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, 40 C.F.R. Part 22, the foregoing ACOC is hereby ratified. This Final Order shall not in any case affect the right of the EPA or the United States to pursue appropriate civil penalties, injunctive or other equitable relief or criminal sanctions for any violations of law, including those violations alleged herein. This Final Order shall resolve only those causes of action alleged herein. Nothing in this Final Order shall be construed to waive, extinguish, or otherwise affect Respondent's (or its officers, agents, servants, employees, successors, or assigns) obligation to comply with all applicable federal, state, and local statutes and regulations, including the regulations that were the subject of this action. The Respondent is ordered to comply with the Compliance Order, Section VI, and the Terms of Settlement, Section VII, as set forth in this ACOC. Pursuant to 40 C.F.R. § 22.31(b) this Final Order shall become effective upon filing with the Regional Hearing Clerk.
