I. JURISDICTION

1. This Settlement Agreement is entered into pursuant to the authority vested in the Administrator of the United States Environmental Protection Agency (EPA) by Section 122(h)(1) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (CERCLA), 42 U.S.C. § 9622(h)(1), which authority has been delegated to the Regional Administrators of the EPA by EPA Delegation No. 14-14-D and redelegated to the Director, Superfund Division, EPA, Region 7, by Regional Delegation R7-14-014-D.

2. This Settlement Agreement is made and entered into by EPA, and The Doe Run Resources Corporation (Doe Run or Settling Party). Doe Run consents to and will not contest EPA's authority to enter into this Settlement Agreement or to implement or enforce its terms.

II. BACKGROUND

3. This Settlement Agreement concerns the Big River Mine Tailings Superfund Site (Site) located in St. Francois County, Missouri. EPA alleges that the Site is a "facility" as defined by Section 101(9) of CERCLA, 42 U.S.C. § 9601(9).

4. In response to the release or threatened release of hazardous substances at or from the Site, EPA undertook response actions and incurred costs at the Site pursuant to Section 104 of CERCLA, 42 U.S.C. § 9604. These response actions include: removal actions under an Administrative Order on Consent for Removal Action, Docket No. CERCLA-07-2004-0167, entered on March 29, 2004; and removal actions under the First Amendment entered on November 4, 2009; and the Second Amendment entered on June 9, 2011.

5. In performing these response actions, EPA has incurred response costs at or in connection with the Site.

6. EPA alleges that Doe Run is a responsible party pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), and is jointly and severally liable for response costs incurred or to be incurred at or in connection with the Site.

7. EPA and Doe Run recognize that this Settlement Agreement has been negotiated in good faith and that this Settlement Agreement is entered into without the admission or adjudication of any issue of fact or law.

III. PARTIES BOUND

8. This Settlement Agreement shall be binding upon EPA and upon the Settling Party and their successors and assigns. Any change in ownership or corporate or other legal status of the Settling Party, including but not limited to, any transfer of assets or real or personal property, shall in no way alter the Settling Party's responsibilities under this Settlement Agreement. Each signatory to this Settlement Agreement certifies that he or she is authorized to enter into the terms and conditions of this Settlement Agreement and to bind legally the party represented by him or her.

IV. DEFINITIONS

9. Unless otherwise expressly provided herein, terms used in this Settlement Agreement that are defined in CERCLA or in regulations promulgated under CERCLA shall have the meanings assigned to them in CERCLA or in such regulations. l. "United States" shall mean the United States of America, including its departments, agencies and instrumentalities.

V. PAYMENT OF RESPONSE COSTS

10. Within 30 days of the effective date of this Settlement Agreement, the Settling Party shall pay, to EPA, \$42,077.71.

11. Payment shall be made, to EPA, by Electronic Funds Transfer (EFT) in accordance with current EFT procedures to be provided to the Settling Party by EPA, Region 7, and shall be accompanied by a statement identifying the name and address of the party making payment, the Site name, "Big River Mine Tailings Superfund Site," the EPA Region and Site/Spill ID Number 07CR, OU03, and the EPA docket number for this action, CERCLA-07-2011-013.

12. At the time of payment, the Settling Party shall also send notice that payment has been made to EPA in accordance with Section XII (Notices and Submissions). Such notice shall reference the EPA Region and Site/Spill ID Number 07CR and the EPA docket number for this action, CERCLA-07-2011-013.

13. The total amount to be paid pursuant to Paragraph 10, shall be deposited in the Big River Mine Tailings Superfund Site Special Account within the EPA Hazardous Substance Superfund to be retained and used to conduct or finance response actions at or in connection with the Site, or to be transferred by EPA to the EPA Hazardous Substance Superfund.

VI. FAILURE TO COMPLY WITH SETTLEMENT AGREEMENT

14. Interest on Late Payments. If the Settling Party fails to make any payment required by Paragraph 10 by the required due date, Interest shall continue to accrue on the unpaid balance through the date of payment.

15. Stipulated Penalty.

a. If any amounts due to EPA under Paragraph 10 are not paid by the required date, the Settling Party shall be in violation of this Settlement Agreement and shall pay to EPA, as a stipulated penalty, in addition to the Interest required by Paragraph 14, \$1,000.00, per violation, per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days of the date of demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be identified as "stipulated penalties" and shall be made payable to "EPA Hazardous Substance Superfund." The check, or a letter accompanying the check, shall reference the name and address of the party making payment, the Site name, the EPA Region and Site Spill ID Number 07CR, and the EPA docket number for this action, CERCLA-07-2011-013. The Settling Party shall send the check (and any accompanying letter) to:

Post Office Box 979076
St. Louis, Missouri 63197-9000.

c. At the time of each payment, the Settling Party shall also send notice that payment has been made to EPA in accordance with Section XII (Notices and Submissions). Such notice shall identify the EPA Region and Site Spill ID Number 07CR, and the EPA docket number for this action, CERCLA-07-2011-013.

d. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified the Settling Party of the violation or made a demand for payment, but need only

be paid upon demand. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Settlement Agreement.

16. In addition to the Interest and Stipulated Penalty payments required by this Section and any other remedies or sanctions available to EPA by virtue of the Settling Party's failure to comply with the requirements of this Settlement Agreement, if Settling Party fails or refuses to comply with the requirements of this Settlement Agreement, it shall be subject to enforcement action pursuant to Section 122(h)(3) of CERCLA, 42 U.S.C. § 9622(h)(3). If the United States, on behalf of EPA, brings an action to enforce this Settlement Agreement, the Settling Party shall reimburse the United States for all costs of such action, including but not limited to, costs of attorney time.

17. Notwithstanding any other provision of this Section, EPA may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Settlement Agreement. Payment of stipulated penalties shall not excuse the Settling Party from payment as required by Section V or from performance of any other requirements of this Settlement Agreement.

VII. COVENANT NOT TO SUE BY EPA

18. Covenant Not to Sue by EPA. Except as specifically provided in Section VIII (Reservations of Rights by EPA), EPA covenants not to sue or take administrative action against the Settling Party pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs. This covenant shall take effect upon receipt by EPA of all amounts required by Section V (Payment of Response Costs) and any amounts due under Section VI (Failure to Comply with Settlement Agreement). This covenant not to sue is conditioned upon the satisfactory performance by the Settling Party of its obligations under this Settlement Agreement. This covenant not to sue extends only to the Settling Party and does not extend to any other person.

VIII. RESERVATIONS OF RIGHTS BY EPA

19. EPA reserves, and this Settlement Agreement is without prejudice to, all rights against the Settling Party with respect to all matters not expressly included within the Covenant Not to Sue. Notwithstanding any other provision of this Settlement Agreement, EPA reserves all rights against the Settling Party with respect to:

- a. liability for failure of the Settling Party to meet a requirement of this Settlement Agreement;
- b. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs;

c. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606;

d. criminal liability; and

e. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments.

20. Nothing in this Settlement Agreement is intended to be nor shall it be construed as a release, covenant not to sue, or compromise of any claim or cause of action, administrative or judicial, civil or criminal, past or future, in law or in equity, which the United States may have against any person, firm, corporation or other entity not a signatory to this Settlement Agreement.

IX. COVENANT NOT TO SUE BY SETTLING PARTY

21. The Settling Party covenants not to sue and agrees not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs or this Settlement Agreement, including but not limited to:

a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claims arising out of the response actions at the Site for which the Past Response Costs were incurred, including any claim under the United States Constitution, the Constitution of the State of Missouri, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; and

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to Past Response Costs.

22. Nothing in this Settlement Agreement shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

X. EFFECT OF SETTLEMENT/CONTRIBUTION

23. Nothing in this Settlement Agreement shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Settlement Agreement. The Parties expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action that they may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Settlement Agreement diminishes the right of the United States pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain

additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

24. EPA and the Settling Party agree that the actions undertaken by the Settling Party in accordance with this Settlement Agreement do not constitute an admission of any liability by the Settling Party. The Settling Party does not admit, and retains the right to controvert in any subsequent proceedings other than proceedings to implement or enforce this Settlement Agreement, the validity of the facts or allegations contained in Section II of this Settlement Agreement.

25. The Parties agree this Settlement Agreement constitutes an administrative settlement for purposes of Section 113(f)(2), and that the Settling Party is entitled as of the Effective Date to protection from contribution actions or claims as provided by Sections 113(f)(2) and 122(h)(4) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(h)(4), or as may be otherwise provided by law, for "matters addressed" in this Settlement Agreement. The "matters addressed" in this Settlement Agreement are Past Response Costs. The Parties further agree that this Settlement Agreement constitutes an administrative settlement for purposes of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B), pursuant to which the Settling Party has, as of the Effective Date, resolved its liability to the United States for Past Response Costs.

26. The Settling Party agrees that with respect to any suit or claim for contribution brought by it for matters related to this Settlement Agreement, it will notify EPA in writing no later than 60 days prior to the initiation of such suit or claim. The Settling Party also agrees that, with respect to any suit or claim for contribution brought against it for matters related to this Settlement Agreement, it will notify EPA in writing within 10 days of service of the complaint or claim upon it. In addition, the Settling Party shall notify EPA within 10 days of service or receipt of any Motion for Summary Judgment and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Settlement Agreement.

27. In any subsequent administrative or judicial proceeding initiated by EPA, or by the United States on behalf of EPA, for injunctive relief, recovery of response costs, or other relief relating to the Site, the Settling Party shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the covenant not to sue by EPA set forth in Section VII.

XI. RETENTION OF RECORDS

28. Until 10 years after the effective date of this Settlement Agreement, the Settling Party shall preserve and retain all records, reports, or information (hereinafter referred to as records) now in its possession or control, or which come into its possession or control, that relate in any manner to response actions taken at the Site or to the liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

29. After the conclusion of the 10-year document retention period in the preceding paragraph, the Settling Party shall notify EPA at least 90 days prior to the destruction of any such records and, upon request by EPA, the Settling Party shall deliver any such records to EPA. The Settling Party may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If the Settling Party asserts such a privilege, it shall provide EPA with the following: (1) the title of the record; (2) the date of the record; (3) the name, title, affiliation (e.g., company or firm), and address of the author of the record; (4) the name and title of each addressee and recipient; (5) a description of the subject of the record; and (6) the privilege asserted. If a claim of privilege applies only to a portion of a record, the record shall be provided to EPA in redacted form to mask the privileged information only. The Settling Party shall retain all records that it claims to be privileged until EPA has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in Settling Party's favor. However, no records created or generated pursuant to the requirements of this or any other settlement with the EPA pertaining to the Site shall be withheld on the grounds that they are privileged.

30. The Settling Party hereby certifies individually that, to the best of its knowledge and belief, after inquiry, it has not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, or information relating to its potential liability regarding the Site since notification of potential liability by the United States or the State or the filing of suit against it regarding the Site and that it has fully complied with any and all EPA requests for information pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927.

XII. NOTICES AND SUBMISSIONS

31. Whenever, under the terms of this Settlement Agreement, notice is required to be given or a document is required to be sent by one Party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing.
