Re: Closure of Administrative Order
Docket No.: SDWA-06-2012-1103
Inventory No.: OS0902
Well No.: Alred 1
Location: NE/4, Sec. 36, T 25N, R 7E
Osage County, Oklahoma

Dear Mr. Son:

We have determined that you are fully compliant with the referenced Administrative Order. Therefore, we have closed that Order.

Since the well was plugged and abandoned, we are also deleting the referenced injection well from our inventory of injection wells authorized by the Environmental Protection Agency (EPA) by rule. Future use of the well for fluid injection would require an underground injection control permit from the EPA.

Please contact Mr. Ronald Van Wyk at 214-665-6459 if you have any questions.

Sincerely yours,

Willie Lane, Jr.
