ADMINISTRATIVE
CONSENT AGREEMENT AND
FINAL PENALTY ORDER

Docket No.: CWA-04-2016-5505(b)

HEARING OFFICER

CONSENT AGREEMENT

I. Statutory Authority

1. This is a civil penalty proceeding under Section 309(g)(2)(A) of the Clean Water Act (CWA), 33 U.S.C. § 1319(g)(2)(A), and the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders and the Revocation, Termination or Suspension of Permits*, published at 64 Fed. Reg. 40176 (July 23, 1999), codified at 40 Code of Federal Regulations (C.F.R.) Part 22 (Part 22).

2. The authority to take action under Section 309(g)(2)(A) of the CWA, 33 U.S.C. § 1319(g)(2)(A), is vested in the Administrator of the United States Environmental Protection Agency. The Administrator has delegated this authority to the Regional Administrator Region 4, who in turn has delegated this authority to the Director of the Water Protection Division of EPA, Region 4, who in turn has delegated this authority to the Chief of the Clean Water Enforcement Branch of EPA, Region 4 (Complainant).

II. Statutory and Regulatory Background

3. Section 309(g)(1) of the CWA, 33 U.S.C. § 1319(g)(1), states "[w]henver, on the basis of any information available - the Administrator finds that any person has violated [section 301 of the CWA, 33 U.S.C. § 1311], . . . the Administrator . . . may, after consultation with the State in which the violation occurs, assess a class I civil penalty or a class II civil penalty under [33 U.S.C. § 1319(g)(2)]."

4. Section 301(a) of the CWA, 33 U.S.C. § 1311(a), states "[e]xcept as in compliance with . . . [Section 404 of the CWA, 33 U.S.C. § 1314], the discharge of any [dredged or fill material] by any person shall be unlawful." Section 404 of the CWA, 33 U.S.C. § 1344, authorizes the Secretary of the Army, acting through the Chief of Engineers, U.S. Army Corps of Engineers ("Corps"), to issue permits for the discharge of dredged or fill material into navigable waters.

5. Section 502(12) of the CWA, 33 U.S.C. § 1362(12), defines a “discharge of pollutants” as “[a]ny addition of any pollutant to navigable waters from any point source”

6. Section 502(14) of the CWA, 33 U.S.C. § 1362(14), defines “point source” as “[a]ny discernible, confined and discrete conveyance, including but not limited to any pipe, ditch, channel, tunnel, conduit [or] discrete fissure . . . from which pollutants are or may be discharged.”

7. Section 502(7) of the CWA, 33 U.S.C. § 1362(7), defines “navigable waters” as “[t]he waters of the United States, including the territorial seas.”

8. Federal regulations under 40 C.F.R. § 232.2 define the term “waters of the United States” to include “wetlands.”

9. Federal regulations under 40 C.F.R. § 232.2 and 33 C.F.R. § 328.3(b) define “wetlands” as “[t]hose areas that are inundated or saturated by surface or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions.”

III. Allegations

10. The term “Discharge Area” means the jurisdictional waters that have been impacted either through the discharge of dredged and/or fill material as a result of the unauthorized activities that are the subject of this enforcement action. More specifically, the Discharge Area includes approximately 10.1 acres of herbaceous freshwater wetlands located near latitude 28.019965° north and longitude 82.055694° west. The Discharge Area is indicated on the enclosed Exhibits A and B.

11. The term “Site” means the parcel or parcels of land on which the Discharge Area is located.

12. Lakeland Tango FL, LLC, (Respondent) at all times relevant to this Consent Agreement and Final Order, was the owner and/or operator of the Site.

13. Respondent, is a person within the definition set forth under section 502(5) of the CWA, 33 U.S.C. § 1362(5).

14. Commencing on or about December 19, 2013, to the present, Respondent, or those acting on behalf of the Respondent, discharged dredged and/or fill material into wetlands on the Site using earth moving machinery, during unauthorized activities associated with the clearing and filling of wetlands for commercial development.

15. Respondent impacted approximately 10.1 acres of herbaceous freshwater wetlands that are adjacent and/or abutting an unnamed perennial tributary that flows to English Creek. English Creek is a perennial tributary that flows to the North Prong Alafia River, a navigable-in-fact water of the United States.

16. The discharged dredged and/or fill material, including earthen material deposited at the Discharge Area, are “pollutants” as defined under the CWA § 502(6), 33 U.S.C. § 1362(6).

17. The earth moving machinery employed by the Respondent to deposit the dredged and/or fill material at the Discharge Area are “point sources” as defined under the CWA § 502(14), 33 U.S.C. § 1362(14).

18. Respondent’s placement of the dredged and/or fill material at the Discharge Area constitutes a “discharge of pollutants” as defined under the CWA § 502(12), 33 U.S.C. § 1362(12).

19. At no time during the discharge of dredged and/or fill material at the Discharge Area from December 19, 2013, to the present, did the Respondent possess a permit under Section 404 of the CWA, 33 U.S.C. § 1344, authorizing the activities performed by Respondent.

20. Each discharge by the Respondent of pollutants into navigable waters without the required permit issued under Section 404 of the CWA, 33 U.S.C. § 1344, is a violation of Section 301(a) of the CWA, 33 U.S.C. § 1311(a).

21. Each day the material discharged by the Respondent remains in waters of the United States without the required permit under Section 404 of the CWA, 33 U.S.C. § 1344, constitutes a day of violation of Section 301 of the CWA, 33 U.S.C. § 1311.

22. Therefore, the Respondent has violated Section 301 of the CWA, 33 U.S.C. § 1311, due to its discharge of dredged and/or fill material without the required permit under Section 404 of the CWA, 33 U.S.C. § 1344.

IV. Stipulations and Findings

23. Complainant and Respondent have conferred for the purpose of settlement under 40 C.F.R. Part 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without gathering any evidence or testimony, making of any argument, or adjudicating any issue in this matter, and in accordance with 40 C.F.R. Part 22.13(b), this Administrative Consent Agreement and Final Penalty Order (CAFO) will simultaneously commence and conclude this matter.

24. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set out herein and neither admits nor denies the factual and legal allegations set out herein.

25. Respondent hereby waives its right, in any actions related to enforcement of this CAFO, to contest the allegations set out herein. Respondent waives its right to appeal the Final Order accompanying this Consent Agreement.

Respondent realizes that there are significant penalties for submitting false or misleading information, including the possibility of fines and/or imprisonment for knowing submission of such information.

28. The EPA reserves the right to assess and collect any and all civil penalties for any violation described in this Consent Agreement to the extent that any information or certification provided by Respondent was materially false or inaccurate at the time such information or certification was provided to the EPA.

29. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public interest and that this CAFO is consistent with the applicable requirements of the CWA.

V. Payment

30. Under Section 309(g)(2)(A) of the CWA, 33 U.S.C. § 1319(g)(2)(A), and 40 C.F.R. § 19, and considering the nature of the violations and other relevant factors, the EPA has determined that TWELVE THOUSAND FIVE HUNDRED DOLLARS (\$12,500) is an appropriate civil penalty to settle this action.

31. Respondent shall submit payment of the penalty specified in the preceding paragraph within 30 days of the effective date of this CAFO via a cashier's or certified check, payable to the order of "Treasurer, United States of America." 34. Under Section 309(g)(9) of the CWA, 33 U.S.C. § 1319(g)(9), failure by the Respondent to pay the penalty assessed by the CAFO in full by its due date may subject the Respondent to a civil action to collect the assessed penalty plus interest (at currently prevailing rates from the effective date of this CAFO), attorney's fees, costs for collection proceedings and a quarterly nonpayment penalty for each quarter during which such failure to pay persists. Such nonpayment penalty shall be in an amount equal to twenty percent (20%) of the aggregate amount of such penalty and nonpayment penalty which are unpaid as of the beginning of such quarter. In any such collection action, the validity, amount and appropriateness of the penalty and of this CAFO shall not be subject to review.

VI. General Provisions

35. This CAFO shall not relieve Respondent of its obligation to comply with all applicable provisions of federal, state, or local law, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit. Other than as expressed herein, compliance with this CAFO shall not be a defense to any actions subsequently commenced under federal laws and regulations administered by the EPA.

36. Except as otherwise set forth in paragraph 37, nothing in this CAFO shall be construed as prohibiting, altering, or in any way limiting the ability of United States to seek any other remedies or sanctions available by virtue of Respondent's violation of this CAFO or of the statutes and regulations upon which this agreement is based, or for Respondent's violation of any federal or state statute, regulation or permit.

Compliance with this CAFO shall resolve the allegations of violations contained in this CAFO. Nothing in this CAFO is intended to nor shall be construed to operate in any way to resolve any criminal liability of the Respondent, or other liability resulting from violations that were not alleged in this CAFO. Other than as expressed in this document, Complainant does not waive any right to bring an enforcement action against Respondent for any other violation of any federal or state statute, regulation or permit, to initiate an action for imminent and substantial endangerment, or to pursue criminal enforcement.

38. Each undersigned representative of the parties to this CAFO certifies that he or she is fully authorized to enter into the terms and conditions of this CAFO and to execute and legally bind that party to it.

39. This CAFO applies to and is binding upon Respondent and any officers, directors, employees, agents, successors and assigns of the Respondent.

Commenting on Federal Enforcement Actions and Compliance Activities

The Small Business Regulatory Enforcement Fairness Act (SBREFA) established an SBA Ombudsman and 10 Regional Fairness Boards to receive comments from small businesses about federal agency enforcement actions. If you believe that you fall within the Small Business Administration's definition of a small business (based on your North American Industry Classification System (NAICS) designation, number of employees, or annual receipts, defined at 13 C.F.R. 121.201; in most cases, this means a business with 500 or fewer employees), and wish to comment on federal enforcement and compliance activities, call the SBREFA Ombudsman's toll-free number at 1-888-REG-FAIR (1-888-734-3247).

Every small business that is the subject of an enforcement or compliance action is entitled to comment on the Agency's actions without fear of retaliation. EPA employees are prohibited from using enforcement or any other means of retaliation against any member of the regulated community in response to comments made under SBREFA.

Your Duty to Comply

If you receive compliance assistance or submit comments to the SBREFA Ombudsman or Regional Fairness Boards, you still have the duty to comply with the law, including providing timely responses to EPA information requests, administrative or civil complaints, other enforcement actions or communications. The assistance information and comment processes do not give you any new rights or defenses in any enforcement action. These processes also do not affect EPA's obligation to protect public health or the environment under any of the environmental statutes it enforces, including the right to take emergency remedial or emergency response actions when appropriate. Those decisions will be based on the facts in each situation. The SBREFA Ombudsman and Fairness Boards do not participate in resolving EPA's enforcement actions. Also, remember that to preserve your rights, you need to comply with all rules governing the enforcement process.

EPA is disseminating this information to you without making a determination that your business or organization is a small business as defined by Section 222 of the Small Business Regulatory Enforcement Fairness Act or related provisions.
