CONSENT AGREEMENT AND FINAL ORDER

I. Nature of the Action

1. This is a civil penalty proceeding pursuant to Section 325 of the Emergency Planning and Community Right-to-Know Act (EPCRA), 42 U.S.C. § 11045, and pursuant to the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), codified at 40 C.F.R. Part 22. Complainant is the Director of the Air, Pesticides and Toxics Management Division, Region 4, United States Environmental Protection Agency (EPA). Respondent is Custom Building Products.

2. The authority to take action under Section 325 of EPCRA, 42 U.S.C. § 11045, is vested in the Administrator of EPA. The Administrator of EPA has delegated this authority under EPCRA to the Regional Administrators by EPA Delegation 22-3-A, dated May 11, 1994. The Regional Administrator, Region 4, has redelegated this authority to the Director, Air, Pesticides and Toxics Management Division, by EPA Region 4 Delegation 22-3-A, dated November 8, 1994. Pursuant to that delegation, the Director of the Air, Pesticides and Toxics Management Division has the authority to commence an enforcement action as the Complainant in this matter.

3. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

II. Preliminary Statements

4. Respondent is Custom Building Products, a corporation doing business in the State of Georgia.

5. Respondent is a "person" as defined in Section 329(7) of EPCRA, 42 U.S.C. § 11049(7).

6. Respondent owns and operates a "facility" as that term is defined by Section 329(4) of EPCRA, 42 U.S.C. § 11049(4).

7. Respondent's facility is located at 2155 Sweetwater Industrial Boulevard, Lithia Springs, Georgia.

### III. EPA's Allegations of Violations

8. Section 313 of EPCRA, 42 U.S.C. § 11023, and 40 C.F.R. §§ 372.22 and 372.30, require the owner or operator of a facility that (a) has 10 or more full-time employees; (b) is in a Standard Industrial Classification (SIC) major group or industry listed in 40 C.F.R. § 372.23(a) (for which the corresponding North American Industry Classification System subsector and industry codes are listed in 40 C.F.R. §§ 372.23(b) and 372.23(c)); and (c) manufactured, processed, or otherwise used a toxic chemical listed in Section 313(c) and 40 C.F.R. § 372.65, in excess of an applicable threshold quantity established under EPCRA Section 313(f) and set forth in 40 C.F.R. § 372.25, during the calendar year, to complete and submit a toxic chemical release inventory reporting Form R (EPA Form 9350-1) to the Administrator of EPA and to the State in which the facility is located, by July 1 for the preceding calendar year for each toxic chemical known by the owner or operator to be manufactured, processed, or otherwise used in quantities exceeding the established threshold quantity during the preceding calendar year.

9. As set forth under Section 313(f) of EPCRA, 42 U.S.C. § 11023, and 40 C.F.R. § 372.25, the reporting threshold amount for a toxic chemical manufactured or processed at a facility is 25,000 pounds per calendar year. The reporting threshold for a toxic chemical otherwise used at a facility is 10,000 pounds.

10. Respondent has 10 or more full-time employees, as defined at 40 C.F.R. § 372.3 at its facility.

11. Respondent's facility is classified under SIC code 2891 and NAICS Code 325520.

12. Respondent's facility is classified in a covered SIC code as described at 40 C.F.R. § 372.22 and in a covered NAICS code as described at 40 C.F.R. § 372.23.

13. Ethylene glycol is a toxic chemical referenced at Section 313(c) of EPCRA, 42 U.S.C. § 11023, and 40 C.F.R. § 372.65.

14. During calendar years 2011, 2010, and 2009, Respondent's facility processed and otherwise used ethylene glycol in excess of the 25,000 pound and 10,000 pound threshold quantity established under EPCRA Section 313(f), 42 U.S.C. § 11023, and 40 C.F.R. § 372.25.

15. Respondent failed to use readily available data to make reasonable estimates of the quantity of a toxic chemical entering each environmental media while completing a toxic chemical release inventory form (Form R) for ethylene glycol for calendar years 2011, 2010, and 2009.

16. Respondent violated the reporting requirements of Section 313(f) of EPCRA, 42 U.S.C. § 11023, at its facility for calendar years 2011, 2010, and 2009, reporting years 2012, 2011, and 2010 respectively, and is therefore subject to the assessment of penalties under Section 325(c) of EPCRA, 42 U.S.C. § 11045.

17. Pursuant to Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), and 40 C.F.R. Part 19, EPA may assess a civil penalty of not more than \$37,500 for each violation of Section 313 that occurred after January 12, 2009. Each day a violation of Section 313 continues constitutes a separate violation. Civil penalties under Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), may be assessed by an Administrative Order.

#### IV. Consent Agreement

18. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set out above but neither admits nor denies the factual allegations set out above.

19. Respondent waives any right to contest the allegations and its right to appeal the proposed final order accompanying the Consent Agreement.

20. Respondent consents to the assessment of and agrees to pay the civil penalty as set forth in this CAFO.

21. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with all relevant requirements of EPCRA at the facility.

22. Compliance with the CAFO shall resolve the allegations of violations contained herein. This CAFO shall not otherwise affect any liability of Respondent to the United States other than as expressed herein. Complainant does not waive any right to bring an enforcement action against Respondent for violation of any federal or state statute, regulation or permit, to initiate an action for imminent and substantial endangerment, or to pursue criminal enforcement.

23. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public's interest and that this CAFO is consistent with the applicable requirements of EPCRA.
