EXPEDITED OIL SPILL SETTLEMENT AGREEMENT**

DOCKET NO.: CWA-04-2013-5007 (b)

On June 29, 2012 at 8:00 a.m. at 1 King & Prince Boulevard, Brunswick, Georgia, the owner and operator, King & Prince Seafood (Respondent), discharged approximately 330 gallons of oil in violation of the Clean Water Act (CWA) § 311(b)(3), 33 U.S.C. § 1321(b)(3), as described on the attached "Findings and Alleged Violations Form" (Form), which is hereby incorporated by reference.

The United States Environmental Protection Agency (EPA) finds the Respondent's conduct is subject to the discharge prohibition of CWA § 311(b)(3), as described in that statute and further described by 40 C.F.R. § 110.3, and that the Respondent has violated CWA § 311(b)(3), as described in the Form. The Respondent admits being subject to CWA § 311(b)(3), and that the EPA has jurisdiction over the Respondent and the Respondent's conduct as described in the Form. Respondent neither admits nor denies the Allegations in the Form.

The EPA is authorized to enter into this Expedited Settlement Agreement (ESA) under the authority vested in the Administrator of the EPA by the CWA § 311(b)(6)(B)(i), amended by the Oil Pollution Act of 1990, and by 40 C.F.R. § 22.13(b). The parties enter into this ESA in order to settle the civil violation described in the Form for a penalty of \$500. Respondent consents to the assessment of this penalty.

This ESA is also subject to the following terms and conditions: Respondent certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that it has investigated the cause of the spill, it has cleaned up the spill pursuant to federal requirements at a cost of \$22,100 and it has taken corrective actions that will prevent future spills. The Respondent also by signature on this ESA agrees to payment of the penalty assessed within thirty (30) days of receiving written notice that the ESA has been executed and effective. **Do not enclose payment.** The EPA will provide instructions in writing on the procedures for making the penalty payment.

Upon signing and returning this ESA to the EPA, the Respondent waives the opportunity for a hearing or appeal pursuant to CWA § 311, and consents to the EPA's approval of the ESA without further notice.

After this ESA becomes effective and the assessed penalty is paid, the EPA will take no further action against the Respondent for the violation of CWA § 311(b)(3) of the Act described in the Form. However, the EPA does not waive any rights to take any enforcement action for any other past, present, or future violation by the Respondent of the CWA § 311(b)(3) or of any other federal statute or regulation.

This ESA is binding on the parties signing below, and effective upon the EPA's filing of the document with the Regional Hearing Clerk. If the Respondent does not sign and return this ESA as presented within fifteen (15) days of the date of its receipt, the proposed ESA is withdrawn without prejudice to the EPA's ability to file any other enforcement action for the violation identified in the Form.
