Consent Agreement and Final Order

Docket No. SDWA-04-2016-1004(b)

I. STATUTORY AUTHORITY

1. This is a civil proceeding pursuant to Section 1423 of the Safe Drinking Water Act (SDWA), 42 U.S.C. § 300h-2, and the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits* specifically Subpart I, published at 64 Fed. Reg. 40138 (July 23, 1999), codified at 40 Code of Federal Regulations (C.F.R.) Part 22 (Part 22). The authority to take action under Section 1423 of the SDWA, is delegated to the Administrator of the U.S. Environmental Protection Agency (EPA). The Administrator has delegated this authority to the Regional Administrator, Region 4, who in turn has delegated this authority to the Director of the Water Protection Division, of the EPA Region 4 (Complainant) pursuant to Region 4 Delegation 9-34.
2. Section 1450(a)(1) of the SDWA, 42 U.S.C. § 300j-9(a)(1), authorizes the Administrator to prescribe such regulations as are necessary or appropriate to carry out their functions under the SDWA. These regulations are found at 40 C.F.R. Parts 124, 144, 146, 147, and 148, and set forth requirements for the Underground Injection Control (UIC) program promulgated under Part C of the SDWA, 42 U.S.C. § 300h, et seq.
3. Injection well owners and operators are required to comply with the UIC program requirements. The UIC program for the Commonwealth of Kentucky, including all Indian lands, is administered by the EPA. See 40 C.F.R. § 147.901(a).

6. Each of the Subject Wells is a “facility” as that term is defined in 40 C.F.R. § 144.3.
7. On August 6, 1998, the EPA issued UIC Permit No. KYA0715 to the Respondent, in accordance with 40 C.F.R. § 144.31.
8. On April 26, 2004, the EPA issued UIC Permit No. KYI0801 to the Respondent, in accordance with 40 C.F.R. § 144.31.
9. 40 C.F.R. § 144.51(a) requires the permittee of a permitted UIC well to comply with all conditions of the permit and provides that any permit noncompliance constitutes a violation of the SDWA.
10. Part I, Section D, Paragraph 3, of the UIC Permit No. KYA0715 requires the permittee to conduct an injection fluid analysis in accordance with 40 C.F.R. § 146.23(b)(1) at least once every 12 months and whenever changes are made to the injection fluid. Part I, Section E, Paragraph 2, of the UIC Permit No. KYA0715 requires the permittee to submit the results of injection fluid analyses to the EPA annually in accordance with 40 C.F.R. § 146.23(c).

12. During the month of February 2016, the EPA Region 4 UIC Program staff performed a file review of its UIC Program records for the Subject Well.
13. Respondent failed to submit timely and/or complete annual injection fluid analysis results for the Subject Wells as shown below.

14. Therefore, Respondent is in violation of the SDWA, 42 U.S.C. § 300f, et seq., 40 C.F.R. §§ 146.23(b)(1), 146.23(c) and 144.51(a), and the UIC Permit Nos. KYA0715 and KYI0801, for failure to timely submit to the EPA annual fluid analysis results, as shown above.
15. Part I, Section D, Paragraph 2, of the UIC Permit No. KYA0715 and 40 C.F.R § 146.23(b)(2), require the permittee to weekly monitor the injection and annulus pressures at the wellhead, to weekly monitor the flow rate and to monthly monitor the cumulative volume of the injected fluid. Part I, Section E, Paragraph 2, of the UIC Permit No. KYA0715 contains the requirement to submit the results of all monitoring to the EPA annually in accordance with 40 C.F.R § 146.23(c) by the end of January of the subsequent year.

Part I, Section D, Paragraph 2, of the UIC Permit No. KYI0801 contains the requirement to submit the results of all monitoring to the EPA annually in accordance with 40 C.F.R § 146.23(c) by the end of January of the subsequent year.

17. Respondent failed to timely submit monitoring results for the Subject Wells, as shown below.

<u>EPA ID No.</u>	<u>Permit No.</u>	<u>Well Name/#</u>	<u>Missing Monitoring Reports</u>
KYS1010558	KYA0715	Church Heirs 5	2013
KYS1010562	KYI0801	George Whittington 3-A	2014

18. Therefore, Respondent is in violation of the SDWA, 42 U.S.C. § 300f, et seq., 40 C.F.R. §§ 146.23(b)(2), 146.23(c) and 144.51(a), and the UIC Permit Nos. KYA0715 and KYI0801 for failure to timely submit annual monitoring reports to the EPA for the active permitted Subject Wells, as shown above.

19. On April 22, 2016, Respondent participated in a show cause meeting with representatives of the EPA to discuss these alleged violations of the SDWA and the implementing regulations.

V. GENERAL PROVISIONS

31. The provisions of this CA/FO shall be binding upon Respondent and its officers, directors, agents, servants, employees and successors or assigns. Notice of this CA/FO shall be given to any successors in interest prior to transfer of the ownership or operational control of the facility.

32. This CA/FO does not constitute a waiver, suspension or modification of the requirements of Part C of the SDWA, 42 U.S.C. § 300h, et seq. or any regulations promulgated there under. This CA/FO is not and shall not be interpreted to be, a permit for the injection of fluids under Section 1421 of the SDWA, 42 U.S.C. § 300h, nor shall it in any way relieve Respondent of any obligation imposed by any permit issued there under, or of Respondent's obligation to comply with any provision of the SDWA, its implementing regulations, or any other local, state or federal law.

33. Payment of the penalty agreed to in this CA/FO shall not in any way affect the right of the Agency or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any other violations of law. Full payment of the penalty and performance of the injunctive relief agreed to in this CA/FO resolves only Respondents liability for federal civil penalties for the violations and facts stipulated herein.
34. If any event beyond the control of Respondent, its successors or assigns, occurs which causes or may cause a delay in the achievement of any requirement of this CA/FO, Respondent shall notify the EPA orally within 4 days of the time it has knowledge of the occurrence of such event. A written report of said event shall be submitted by certified mail to the EPA within 10 days of the date Respondent received knowledge of the event. Said report shall describe the violation or failure, its cause and all attendant circumstances, and the measures taken or to be taken to prevent or minimize any such violation or failure and to comply with the pertinent requirements of this CA/FO as soon as possible, and the timetable by which those measures are proposed to be implemented.
35. The burden of proving that any violation or failure is caused by circumstances beyond the control of and without fault of Respondent and the length of the delay attributable to such circumstances shall rest with Respondent. Financial, economic, or business conditions or changes in same, unanticipated or increased costs or expenses, or problems relating to reasonably foreseeable technological infeasibility associated with the implementation of actions called for by this CA/FO, shall not relieve Respondent of any obligation imposed under the terms of this CA/FO, nor from payment of any penalty set forth in this CA/FO. The EPA will notify Respondent of its determination that certain circumstances are considered to be beyond Respondent's control and the extension of time, if any, for completion of the affected requirements. Respondent shall waive this right to any extension for failure to provide the EPA with written notice as provided herein or for failure to provide adequate proof for the cause of the delay.
36. For the purposes of state and federal income taxation, Respondent shall not be entitled to and agrees not to attempt to claim a deduction for any penalty payment made pursuant to this CA/FO. Any attempt to deduct any such penalty shall constitute a violation of this CA/FO.
37. The parties acknowledge and agree that final approval by the EPA of this CA/FO is subject to 40 C.F.R. § 22.45(c)(4) which sets forth requirements under which a person not a party to this proceeding may petition to set aside a consent agreement and final order on the basis that material evidence was not considered.
38. Each party shall bear its own costs and attorneys' fees in connection with this action.
39. The undersigned representative of Respondent certifies that he or she is fully authorized to enter into the terms and conditions of this Consent Agreement and to execute and legally bind the Party he or she represents to this Agreement.

VI. Effective Date

40. The effective date of this CA/FO shall be the date that it is filed with the Regional Hearing Clerk.
