**HAZARDOUS SUBSTANCE SPILL EXPEDITED SETTLEMENT AGREEMENT**

DOCKET NO.: CWA-04-2018-5000(b)

On or about January 17, 2017, at 496 Industrial Boulevard, Abbeville, Alabama, Rembrandt Enterprises, Inc. (Respondent) discharged approximately 13,000 pounds of sodium hydroxide in violation of the Clean Water Act (CWA) § 311(b)(3), 33 U.S.C. § 1321(b)(3), as described on the attached "Findings and Alleged Violations Form" (Form), which is hereby incorporated by reference.

The United States Environmental Protection Agency finds that Respondent's conduct is subject to the discharge prohibition of CWA § 311(b)(3), 33 U.S.C. § 1321(b)(3) in conjunction with 40 C.F.R. § 110.3. Respondent admits being subject to CWA § 311(b)(3), and that the EPA has jurisdiction over Respondent and Respondent's conduct as described in the Form. Respondent neither admits nor denies the allegations in the Form.

The EPA is authorized to enter into this Expedited Settlement Agreement (ESA) under the authority vested in the Administrator of the EPA CWA § 311(b)(6)(B)(i), 33 U.S.C. § 1321(b)(6)(B)(i), as amended by the Oil Pollution Act of 1990, and by 40 C.F.R. § 22.13(b) and § 22.18(b)(2)-(3). The parties enter into this ESA in order to settle the civil violation described in the Form for a penalty of \$500. Respondent consents to the assessment of this penalty.

This ESA is also subject to the following terms and conditions: Respondent certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that it has investigated the cause of the spill, it has cleaned up the spill pursuant to federal requirements, and it has taken corrective actions that will prevent future spills. Respondent, also by signature on this ESA, agrees to pay the penalty assessed within thirty (30) calendar days of receiving written notice that the ESA has been executed and effective. **Do not enclose payment.** The EPA will provide instructions in writing on the procedures for making the penalty payment to the "Oil Spill Liability Trust Fund" with a copy of the Final Order.

After the parties sign this ESA and Respondent pays the civil penalty, the EPA will take no further action against Respondent for the violations described in the Form. However, the EPA does not waive any rights to take any enforcement action for any other violations by Respondent of CWA § 311(b)(3) or any other federal statute or regulations.

Upon signing and returning this ESA to the EPA, Respondent waives any right to judicial review under CWA § 311(b)(6)(G), 33 U.S.C. § 1321(b)(6)(G), any right to appeal or request a hearing to contest any fact or allegation, and consents to the EPA's approval of the ESA without further notice. Failure by Respondent to pay the penalty assessed by this ESA in full by its due date may subject Respondent to a civil action to collect the assessed penalty plus interest, attorney's fees, costs and an additional quarterly nonpayment penalty pursuant to CWA § 311(b)(6)(H), 33 U.S.C. § 1321(b)(6)(H). In any such collection action, the validity, amount, and appropriateness of the penalty shall not be subject to review.

This ESA is binding on the parties signing below. Each person signing this ESA certifies that he or she has the authority to sign for the party who he or she represents and to bind that party to its terms. The ESA is effective upon the EPA's filing of the ESA with the Regional Hearing Clerk. If Respondent does not sign and return this ESA as presented within thirty (30) calendar days of the date of its receipt, the proposed ESA will be withdrawn without prejudice to the EPA's ability to file any other enforcement action for the noncompliance identified in the Form.
