14. Pursuant to 40 C.F.R. § 745.107(a), before the lessee is obligated under any contract to lease target housing that is not otherwise an exempt transaction pursuant to 40 C.F.R. § 745.101, lessors shall complete the activities required set forth in this section.
15. Pursuant to 40 C.F.R. § 745.107(a)(1), the lessor shall provide the lessee with an EPA-approved lead hazard information pamphlet. Such pamphlets include the EPA document entitled Protect Your Family From Lead in Your Home (EPA #747-K-94-001) or an equivalent pamphlet that

This requirement includes records or reports regarding common areas. IV. FINDINGS OF FACT

28. Respondent is, and at all times relevant to this CAFO, a "lessor" and "agent" and/or "owner" that offered contracts to lease "residential dwellings" that are "target housing" as those terms are defined at 40 C.F.R. § 745.103.
29. On December 12, 2019, an inspector with the EPA conducted an inspection at the Respondent's place of business located at 88 C Michael Davenport Boulevard, Suite #2, Frankfort, Kentucky 40601, for the purpose of evaluating the Respondent's compliance with the requirements of 40 C.F.R. Part 745, Subpart F.
30. At the time of the inspection, the EPA reviewed and obtained copies of the Respondent's records to determine its compliance with 40 C.F.R. Part 745, Subpart F.
31. The records reviewed by the EPA showed that between December 2016 and December 2019, the Respondent had entered into contracts to lease the residential dwellings that are target housing at the following locations on the specified dates listed below:
 - a. 215 Capital Avenue, Apartment D2, Frankfort, Kentucky 40601, built in 1973, lease entered on August 1, 2019;

- b. 215 Capital Avenue, Apartment F2, Frankfort, Kentucky 40601, built in 1973, lease entered on September 1, 2019;
 - c. 215 Capital Avenue, Apartment C1, Frankfort, Kentucky 40601, built in 1973, lease entered on December 1, 2018;
 - d. 215 Capital Avenue, Apartment C2, Frankfort, Kentucky 40601, built in 1973, lease entered on June 1, 2018; and
 - e. 215 Capital Avenue, Apartment C2, Frankfort, Kentucky 40601, built in 1973, lease entered on November 1, 2017.
32. The Respondent was unable to provide any records to the inspector during the inspection, or as part of the documents it submitted in March 2020, documenting that prior to entering into the leases with the lessees for the target housing on the dates listed in paragraph 31, the Respondent had:
- a. Provided the lessees with an EPA-approved lead hazard information pamphlet as required by 40 C.F.R. § 745.107(a)(1);
 - b. Disclosed to the lessees the presence of any known lead-based paint and/or lead-based paint hazards in the target housing being leased as required by 40 C.F.R. § 745.107(a)(2);
 - c. Included as an attachment or within the contracts to lease target housing the appropriate Lead Warning Statement as required by 40 C.F.R. § 745.113(b)(1); and
 - d. Include as an attachment or within the contracts to lease target housing the signatures of the lessors, agents, and lessees, certifying to the accuracy of their statements, to the best of their knowledge, along with the dates of signature as required by 40 C.F.R. § 745.113(b)(6).

V. ALLEGED VIOLATIONS

33. Based on the EPA's review of the Respondent's records collected during the December 12, 2019 inspection, the EPA has determined that prior to offering and entering into a contract for lease of residential dwellings of target housing as set forth in paragraph 31, the Respondent failed to:
- a. Provide the lessees with the EPA-approved lead hazard information pamphlet in violation of 40 C.F.R. § 745.107(a)(1);
 - b. Disclose to the lessees the presence of any known lead-based paint and/or lead-based paint hazards in the target housing being leased in violation of 40 C.F.R. § 745.107(a)(2);
 - c. Include as an attachment or within the contract to lease target housing, the appropriate Lead Warning Statement, in violation of 40 C.F.R. § 745.113(b)(1); and
 - d. Include as an attachment or within the contract to lease target housing the signatures of the lessors, agents, and lessees, certifying to the accuracy of their statements, to the best of their knowledge, along with the dates of signature in violation of 40 C.F.R. § 745.113(b)(6).

Accordingly, EPA may require the Respondent to pay the following amounts on any amount overdue:
- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within 30 days of the Effective Date of this CAFO, Interest is waived. However, if the civil penalty is not paid in full within 30 days of the Effective Date of this CAFO, Interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued Interest are paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b)(2), and 40 C.F.R. § 13.11(a).

This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).
 - c. Monthly Handling Charge. Respondent must pay a late payment handling charge to cover

the administrative costs of processing and handling the delinquent claim, based on either actual or average cost incurred. 31 C.F.R. § 901.9(c), and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.

43. In addition to what is stated in the prior Paragraph, if Respondent fails to timely pay any portion of the penalty assessed under this CAFO, EPA may:

 - b. collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds, 40 C.F.R. Part 13, Subparts C and H;

46. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c),
47. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
48. Nothing herein shall be construed to limit the power of EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent and substantial endangerment as provided under the Act.
49. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.

By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
56. It is the intent of the parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
57. EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to EPA. If such false or inaccurate material was provided, EPA reserves the right to assess and collect any and all civil penalties for any alleged violation described herein. EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
58. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.
