Enclosures

6. Respondent owns and operates a "facility" as that term is defined by Section 329(4) of EPCRA, 42 U.S.C. § 11049(4).

7. Respondent's facility is located at 1536 Island Home Avenue, Knoxville, Tennessee 37920.

III. EPA's Allegations of Violations

8. Section 312 of EPCRA, 42 U.S.C. § 11022, and the regulations found at 40 C.F.R. Part 370, provide that the owner or operator of a facility that is required to prepare or have available a Material Safety Data Sheet (MSDS) for hazardous chemicals under the Occupational Safety and Health Act of 1970 (OSHA) and regulations promulgated under that Act, shall submit to the Local Emergency Planning Committee (LEPC), the State Emergency Response Commission (SERC), and the fire department with jurisdiction over the facility, by March 1, 1988, and on or before March 1 annually thereafter, a completed emergency and hazardous chemical inventory form (Tier I or Tier II) as described in 40 C.F.R. Part 370, containing the information required by that part for hazardous chemicals present at the facility at any one time in the calendar year in amounts equal to or greater than 10,000 pounds and containing the information required by that part for extremely hazardous substances (EHS) present at the facility at any one time in amounts equal to or greater than the threshold planning quantity (TPQ) or 500 pounds, whichever is less.

9. At some time during the calendar year(s) of 2010, 2009, and 2008, sulfuric acid was present at the facility in an amount equal to or greater than 500 pounds.

10. Sulfuric acid is an "extremely hazardous substance" as that term is defined by Section 329(3) of EPCRA, 42 U.S.C. § 11049(3), with an RQ of 500 pounds, as specified in 40 C.F.R. Part 355, Appendices A & B.

11. Respondent failed to submit a completed Emergency and Hazardous Chemical Inventory Form for sulfuric acid to the SERC, the LEPC, and fire department with jurisdiction over the facility for calendar years 2010 and 2008 and to the LEPC and fire department for calendar years 2009, by March 1 of the year following the calendar year for which a report was required.

12. Respondent violated the reporting requirements of Section 312 of EPCRA, 42 U.S.C. § 11022, at its facility for calendar years 2010, 2009, and 2008, and is therefore subject to the assessment of penalties under Section 325 of EPCRA, 42 U.S.C. § 11045.

13. Pursuant to Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), and 40 C.F.R. Part 19, EPA may assess a penalty of not more than \$37,500 for each violation of Section 312 that occurred after January 12, 2009. Each day a violation of Section 312 continues constitutes a separate violation. Civil penalties under Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), may be assessed by Administrative Order.

Respondent agrees that in order to receive credit for the SEP, it must fully and timely complete the SEP project in accordance with Paragraph 25. If Respondent does not fully and timely complete the SEP, it shall be required to pay stipulated penalties pursuant to Paragraph 33.

26. Respondent agrees that the cost of performing the SEP exceeds the minimum required SEP expenditure of \$18,984.

27. Respondent agrees to the following language concerning the Emergency Planning and Preparedness SEP:

Respondent certifies that neither it, nor the recipient of the Emergency Planning and Preparedness SEP, is a party to any open federal financial assistance transaction that is funding or could be used to fund the same activity as the SEP. Respondent further certifies that, to the best of its knowledge and belief after reasonable inquiry, there is no such open federal financial transaction that is funding or could be used to fund the same activity as the SEP, nor has the same activity been described in an unsuccessful federal financial assistance transaction proposal submitted to EPA within two years of the date of this settlement (unless the project was barred from funding as statutorily ineligible). For the purposes of this certification, the term “open federal financial assistance transaction” refers to a grant, cooperative agreement, loan, federally-guaranteed loan guarantee, or other mechanism for providing federal financial assistance whose financial performance period has not yet expired.

28. Respondent has obtained and presented to EPA a separate written certification from the recipient of the Emergency Planning and Preparedness SEP that certifies that the Recipient, City of Knoxville Fire Department, is not a party to any open federal financial assistance transaction as stated in paragraph 27.

29. If Respondent fails to timely and fully complete any part of the Emergency Planning and Preparedness SEP in Paragraph 25, including failure to spend the minimum amount of EIGHTEEN THOUSAND NINE HUNDRED EIGHTY FOUR DOLLARS (\$18,984), Respondent shall pay to the United States Treasurer, a stipulated penalty in the amount of the difference between \$18,984 and the actual amount spent.

30. For purposes of paragraph 25, whether Respondent has fully and timely completed the SEP shall be in the sole discretion of EPA.

31. Respondent agrees that EPA may inspect the facilities at any time in order to confirm that each SEP is being undertaken in conformity with the representations made herein.

32. No later than thirty (30) calendar days after the completion of the projects in Paragraph, Respondent shall submit to EPA a SEP Completion Report for each SEP. The Reports shall be sent to the EPCRA Enforcement Section, to the attention of Deanne Grant at the address provided above. The Reports shall include the following:

(a) an affidavit from an authorized company official, attesting that the SEP has been completed or explaining in detail any failure to complete the SEP; and

(b) copies of appropriate documentation, including invoices and receipts, showing a total expenditure of EIGHTEEN THOUSAND NINE HUNDRED NINETY ONE DOLLARS (\$18,991), or greater, was spent on the emergency planning and preparedness equipment described in Paragraph 25 .

33. Respondent shall pay any stipulated penalties that accrue under this CAFO within 15 calendar day of the receipt by Respondent of written demand from EPA for such penalties. Such penalties shall be paid in accordance with the procedures set forth above for the payment of the civil penalty.

34. Pursuant to 31 U.S.C. § 3717, EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim. Interest will therefore begin to accrue on the civil penalty from the effective date of this CAFO if the penalty is not paid by the date required. Interest will be assessed at the rate established by the Secretary of Treasury pursuant to 31 U.S.C. § 3717. A charge will be assessed to cover the costs of debt collection, including processing and handling costs and attorney fees. In addition, a penalty charge will be assessed on any portion of the debt that remains delinquent more than ninety (90) days after payment is due.

35. Complainant and Respondent shall bear their own costs and attorney fees in this matter.
