Re: E. I. du Pont de Nemours and Company
DuPont Mobile Manufacturing Center – Axis, Alabama
Ratified Consent Agreement and Final Order
Docket No. EPCRA-04-2018-2009(b)

Dear Ms. McGee:

Enclosed is a copy of the ratified Consent Agreement and Final Order (CAFO) in the above-referenced matter. The original CAFO has been filed with the Regional Hearing Clerk and served on the parties as directed in Section 22.6 of the Consolidated Rules of Practice, 40 C.F.R. Part 22. To ensure proper processing, the Respondent's Name and Docket Number for this case, identified above and in the CAFO, should be noted on any cashier's or certified check submitted in payment of the penalty.

Also, enclosed is a copy of a document entitled "Notice of Securities and Exchange Commission Registrants' Duty to Disclose Environmental Legal Proceedings." This document puts E. I. du Pont de Nemours and Company on notice of its potential duty to disclose to the Securities and Exchange Commission any environmental enforcement actions taken by the U. S. Environmental Protection Agency Region 4. Where used in the document, "SEC" refers to the Securities and Exchange Commission.

Should you or your client have any questions concerning this matter or E.I. du Pont de Nemours and Company's compliance status in the future, please contact Mr. Brandon Cobb, EPA Region 4's Associate Attorney, at (404) 562-9550.

Sincerely,

A handwritten signature in blue ink, appearing to read "Anthony G. Toney".

Anthony G. Toney

Docket Number: EPCRA-04-2018-2009(b)

2018 MAR -5 PM 1:33
HEARING CLERK
OFFICE OF REGIONAL
ADMINISTRATION
REGION IV

CONSENT AGREEMENT AND FINAL ORDER

I. Nature of the Action

1. This is a civil penalty proceeding pursuant to Section 325 of the Emergency Planning and Community Right-to-Know Act (EPCRA), 42 U.S.C. § 11045, and pursuant to the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), codified at 40 C.F.R. Part 22. Complainant is the Director of the Air, Pesticides and Toxics Management Division, Region IV, United States Environmental Protection Agency EPA. Respondent is E. I. du Pont de Nemours and Company.

2. The authority to take action under Section 325 of EPCRA, 42 U.S.C. § 11045, is vested in the Administrator of the EPA. The Administrator of the EPA has delegated this authority under EPCRA to the Regional Administrators by the EPA's Delegation 22-3-A, dated May 11, 1994. The Regional Administrator, Region IV, has redelegated this authority to the Director, Air, Pesticides and Toxics Management Division, by the EPA Region IV Delegation 22-3-A, dated November 8, 1994. Pursuant to that delegation, the Director of the Air, Pesticides and Toxics Management Division has the authority to commence an enforcement action as the Complainant in this matter.

3. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

II. Preliminary Statements

4. Respondent is E. I. du Pont de Nemours and Company, a corporation doing business in the State of Alabama.

5. Respondent is a "person" and owned and operated, at all times relevant to the allegations in Section III, a "facility" as those terms are defined by Section 329(7) of EPCRA, 42 U.S.C. § 11049(7), and Section 329(4) of EPCRA, 42 U.S.C. § 11049(4), respectively.

6. Respondent's DuPont Mobile Manufacturing Center, the facility referenced in this CAFO, is located at 12650 Highway 43 in Axis, Alabama.

III. EPA's Allegations of Violations

Violation of Section 313 of EPCRA

7. Section 313 of EPCRA, 42 U.S.C. § 11023, and 40 C.F.R. §§ 372.22 and 372.30, require the owner or operator of a facility that (a) has 10 or more full-time employees; (b) is in a Standard Industrial Classification (SIC) major group or industry listed in 40 C.F.R. § 372.23(a) (for which the corresponding North American Industry Classification System subsector and industry codes are listed in 40 C.F.R. §§ 372.23(b) and 372.23(c)); and (c) manufactured, processed, or otherwise used a toxic chemical listed in EPCRA Section 313(c) and 40 C.F.R. § 372.65, in excess of an applicable threshold quantity established under EPCRA Section 313(f) and set forth in 40 C.F.R. § 372.25, during the calendar year, to complete and submit a toxic chemical release inventory reporting Form R (EPA Form 9350-1) to the Administrator of the EPA and to the State in which the facility is located, by July 1 for the preceding calendar year for each toxic chemical known by the owner or operator to be manufactured, processed, or otherwise used in quantities exceeding the established threshold quantity during the preceding calendar year.

8. As set forth under Section 313(f) of EPCRA, 42 U.S.C. § 11023(f), and 40 C.F.R. § 372.25, the reporting threshold amount for a toxic chemical manufactured or processed at a facility is 25,000 pounds per calendar year. The reporting threshold for a toxic chemical otherwise used at a facility is 10,000 pounds.

9. Respondent has 10 or more full-time employees, as defined at 40 C.F.R. § 372.3, at its facility.

10. Respondent's facility is classified under SIC code 2879 and NAICS Code 32532.

11. Respondent's facility is classified in a covered SIC code as described at 40 C.F.R. § 372.22 and in a covered NAICS code as described at 40 C.F.R. § 372.23.

12. Phosgene is a toxic chemical, referenced at Section 313(c) of EPCRA, 42 U.S.C. § 11023(c), and listed under 40 C.F.R. § 372.65.

13. Respondent's facility processed the toxic chemical phosgene in excess of the 25,000-pound threshold quantity established under Section 313(f) of EPCRA, 42 U.S.C. § 11023, and 40 C.F.R. § 372.25, during calendar year 2014.

14. Respondent failed to submit a Form R for phosgene to the Administrator of the EPA and to the officials designated by the Governor of the State of Alabama by July 1 of the reporting year for calendar year 2014.

15. Respondent violated the reporting requirements of Section 313 of EPCRA, 42 U.S.C. § 11023, at its facility for calendar years 2014, and is therefore subject to the assessment of penalties under Section 325(c) of EPCRA, 42 U.S.C. § 11045(c).

16. Pursuant to Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), and 40 C.F.R. Part 19, the EPA may assess a civil penalty for each violation of Section 313. Each day a violation of Section 313 continues constitutes a separate violation. Civil penalties under Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), may be assessed by an Administrative Order.

Violations of Section 312 of EPCRA

17. Section 312 of EPCRA, 42 U.S.C. § 11022, and the regulations found at 40 C.F.R. Part 370, provide that the owner or operator of a facility that is required to prepare or have available a Material Safety Data Sheet (MSDS) for hazardous chemicals under the Occupational Safety and Health Act of 1970 (OSHA) and regulations promulgated under that Act shall submit to the Local Emergency Planning Committee (LEPC), the State Emergency Response Commission (SERC), and the fire department with jurisdiction over the facility, on or before March 1 annually, a completed emergency and hazardous chemical inventory form (Tier I or Tier II), as described in 40 C.F.R. Part 370, containing the information required by that part for hazardous chemicals present at the facility at any one time in the calendar year in amounts equal to or greater than 10,000 pounds and containing the information required by that Part for extremely hazardous substances (EHS) present at the facility at any one time in amounts equal to or greater than the threshold planning quantity (TPQ) or 500 pounds, whichever is less.

18. At some time during calendar years 2015, 2014 and 2013, sodium bisulfate was present at the facility in an amount equal to or greater than 10,000 pounds.

19. Sodium bisulfate is a “hazardous chemical” as defined by Section 329(5) of EPCRA, 42 U.S.C. § 11049(5), for which Respondent is required to prepare or have available an MSDS under OSHA at its facility.

20. Respondent failed to submit a completed Emergency and Hazardous Chemical Inventory Form for sodium bisulfate to the SERC, the LEPC, and fire department with jurisdiction over the facility for calendar years 2015, 2014, and 2013, by March 1 of the following year.

21. The EPA alleges that Respondent violated the reporting requirements of Section 312 of EPCRA, 42 U.S.C. § 11022, at its facility for calendar years 2015, 2014, and 2013, and is therefore subject to the assessment of civil penalties under Section 325 of EPCRA, 42 U.S.C. § 11045.

22. Pursuant to Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), and 40 C.F.R. Part 19, the EPA may assess a civil penalty for each violation of Section 312. Each day a violation of Section 312 continues constitutes a separate violation. Civil penalties under Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), may be assessed by an Administrative Order.

IV. Consent Agreement

23. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set out above but neither admits nor denies the factual allegations set out above.

24. Respondent waives any right to contest the allegations and its right to appeal the proposed final order accompanying the Consent Agreement.

25. Respondent consents to the assessment of and agrees to pay the civil penalty as set forth in this CAFO.

26. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with all relevant requirements of EPCRA.

27. Respondent has agreed to undertake and complete a Supplemental Environmental Project (SEP) in accordance with Section VI of this CAFO.

28. Compliance with this CAFO shall resolve the allegations of violations contained herein. In accordance with 40 C.F.R. § 22.18(c), compliance with this CAFO only resolves Respondent's liability for federal civil penalties for the allegations in Section III of this CAFO and does not affect the right of the EPA or U.S. to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violation of law. This CAFO does not waive, extinguish or otherwise affect Respondent's obligation to comply with all applicable provisions of EPCRA or other applicable laws and regulations.

V. Final Order

29. Respondent shall pay a civil penalty of **THREE THOUSAND, EIGHT HUNDRED FIFTY-THREE DOLLARS (\$3,853)** for the violations alleged in Section III above. Payment shall be paid within thirty (30) days of the effective date of this CAFO.

30. Respondent shall pay the penalty by forwarding a cashier's or certified check, payable to: "Treasurer, United States of America," or by electronic transfer to one of the following addresses:

BY MAIL

U.S. Environmental Protection Agency
Fines and Penalties
Cincinnati Finance Center
P.O. Box 979077

BY ELECTRONIC TRANSFER

Federal Reserve Bank of New York
ABA = 021030004
Account = 68010727
SWIFT address = FRNYUS33
33 Liberty Street
New York, New York 10045
Beneficiary: "U.S. Environmental Protection Agency"

The check shall reference on its face the name and the Docket Number of the CAFO.

31. At the time of payment, Respondent shall send a separate copy of the check, and a written statement that payment has been made in accordance with this CAFO, to the following persons at the following addresses:

Regional Hearing Clerk
U.S. EPA Region 4
61 Forsyth Street, S.W.
Atlanta, Georgia 30303

Erika White
U.S. EPA Region 4
Air, Pesticides and Toxics Management Division
61 Forsyth Street, S.W.
Atlanta, Georgia 30303

32. For the purposes of state and federal income taxes, Respondent shall not be entitled, and agrees not to attempt, to claim a deduction for any civil penalty payment made pursuant to this CAFO. Any attempt by Respondent to deduct any such payments shall constitute a violation of this CAFO.

VI. Supplemental Environmental Project

33. Respondent shall complete a SEP in the category of an Emergency Planning and Preparedness project designed to protect the environment and the people that could be harmed by chemical accidents by providing assistance (such as, response equipment or training) to responsible state or local emergency response or planning entities as follows (hereinafter referred to as the SEP):

- a. Respondent must purchase and donate the following to the recipient selected by the Respondent as identified below:

Recipient: Creola Fire Department

<u>Quantity</u>	<u>Description</u>
6	Key Fire Hoses, 1.75" x 50' Red
10	Key Fire Hoses, 5.0" x 100' Yellow
1	Sand, prime, and paint Creola Fire Engine

- b. Respondent's total expenditure for purchase of the above equipment shall not be less than **FOURTEEN THOUSAND, FOUR HUNDRED AND FORTY-SIX DOLLARS (\$14,446)**.
- c. Respondent must complete the purchase and donation of the above equipment within 45 days of the effective date of this CAFO.

34. This CAFO shall not be construed to constitute the EPA's endorsement of any product, equipment, technology or service purchased and donated by Respondent in connection with the SEP.

35. With regard to the SEP, Respondent certifies the truth and accuracy of each of the following:

- a. That all cost information provided to the EPA in connection with the EPA's approval of the SEP is complete and accurate and that Respondent in good faith estimates that the cost to implement the SEP is **\$14,446**;
- b. That, as of the effective date of this CAFO, Respondent is not required to perform or develop the SEP by any federal, state or local law, regulation, permit, order or agreement and is not required to perform or develop the SEP by agreement, grant or as injunctive relief awarded in any other action in any forum;
- c. That the SEP is not a project the Respondent was planning or intending to construct, perform or implement other than in settlement of the claim resolved in this CAFO;
- d. That Respondent has not received and will not receive credit for the SEP in any other enforcement action of any kind;
- e. That Respondent will not receive reimbursement for any portion of the SEP from another person or entity;
- f. That for federal income tax purposes, Respondent agrees it will neither capitalize into inventory or basis nor deduct any costs or expenditures incurred in performing the SEP;
- g. That Respondent is not a party to any open federal financial assistance transaction that is funding or could fund the same activity as the SEP; and
- h. That Respondent has inquired of the Creola Fire Department whether it is a party to an open federal financial assistance transaction that is funding or could fund the same activity as the SEP and has been informed by Creola Fire Department that it is not a party to such a transaction.

36. Respondent agrees that any public statement, oral or written, in print film or other media made by Respondent making any reference to the SEP under this CAFO from the effective date of this CAFO shall include the following language:

"This project was undertaken in connection with the settlement of an enforcement action taken by the U.S. Environmental Protection Agency for violations of Sections 312 and 313 of the Emergency Planning and Community Right-to-Know Act (EPCRA)."

37. Respondent shall complete and submit a SEP Completion Report for the SEP under this CAFO as follows:

- a. The SEP Completion Report shall include the following:
 - i. An affidavit from an authorized company official, certifying that the SEP has been completed or explaining in detail any failure to complete, and
 - ii. Copies of appropriate documentation, including invoices and receipts, showing that Respondent's total expenditure for the SEP was no less than the minimum total expenditure required above.
- b. The SEP Completion Report shall be submitted to the EPA within sixty (60) days of the effective date of this CAFO to the following:

Erika White
U.S. EPA Region 4
Chemical Management and Emergency Planning Section
61 Forsyth Street, S.W.
Atlanta, Georgia 30303

38. Upon request, Respondent shall send EPA any additional documentation requested by the EPA.

39. Respondent agrees that in order to receive credit for the SEP, Respondent must fully and timely complete the SEP in accordance with and as indicated in this CAFO. In the event that Respondent fails to comply with any of the terms or provisions of the CAFO relating to the performance of the SEP, Respondent shall be liable for stipulated penalties according to the provisions set forth below:

- a. If Respondent fails to spend the minimum amount of **FOURTEEN THOUSAND, FOUR HUNDRED AND FORTY-SIX DOLLARS (\$14,446)**, Respondent shall pay to the United States, a stipulated penalty of the difference between the minimum amount noted above and the actual SEP expenditure.
- b. If Respondent fails to timely submit the SEP Completion Report as required by this CAFO, Respondent shall pay to the United States a stipulated penalty of **\$100** for each calendar day that the report is late.
- c. The United States may, in the unreviewable exercise of its discretion, reduce or waive stipulated penalties otherwise due under this CAFO.

40. The determination as to whether Respondent has fully and timely completed the SEP shall be in the sole discretion of the EPA.

41. Respondent shall pay any stipulated penalties that accrue under this CAFO within 15 calendar days of the receipt by Respondent of written demand from the EPA for such penalties. Such penalties shall be paid in accordance with the procedures set forth in the written demand from the EPA.

VII. Other Provisions

42. Pursuant to 31 U.S.C. § 3717, the EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim. Interest will therefore begin to accrue on the civil penalty from the effective date of this CAFO if the penalty is not paid by the date required. Interest will be assessed at the rate established by the Secretary of Treasury pursuant to 31 U.S.C. § 3717. A charge will be assessed to cover the costs of debt collection, including processing and handling costs and attorney fees. In addition, a penalty charge will be assessed on any portion of the debt that remains delinquent more than ninety (90) days after payment is due.

43. Complainant and Respondent shall bear their own costs and attorney fees in this matter.

44. This CAFO shall be binding upon the Respondent, its successors, and assigns.

45. Each undersigned representative of the parties to this CAFO certifies that he or she is fully authorized by the party represented to enter into this CAFO and legally bind that party to it.

The Remainder of this Page is Intentionally Blank

VIII. Effective Date

46. The effective date of this CAFO shall be the date upon which the CAFO is filed with the Regional Hearing Clerk.
