I. NATURE OF ACTION

1. This is an administrative penalty assessment proceeding brought under Section 14(a) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, 7 U.S.C. § 136l(a) (FIFRA or the Act), and Sections 22.13(b) and 22.18 of the Consolidated Rules of Practice Governing Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), as codified at Title 40 of the Code of Federal Regulations (C.F.R.), Part 22.
2. This Consent Agreement and the attached Final Order shall collectively be referred to as the CAFO.
3. Having found that settlement is consistent with the provisions of FIFRA and applicable regulations, the Parties have agreed to settle this action pursuant to 40 C.F.R. § 22.18 and consent to the entry of this CAFO without adjudication of any issues of law or fact herein.

II. PARTIES

4. Complainant is the Director, Enforcement and Compliance Assurance Division, Region 4, who has been delegated the authority on behalf of the Administrator of the United States Environmental Protection Agency to enter into this CAFO pursuant to 40 C.F.R. Part 22 and Section 14(a) of FIFRA, 7 U.S.C. § 136l(a).
5. Respondent is CPAP Life LLC (CPAP), a Georgia limited liability company with a place of business located at 6865 Shiloh Road East, Suite 150, Alpharetta, Georgia 30005.

III. GOVERNING LAW

6. Respondent is a “person” as defined by Section 2(s) of FIFRA, 7 U.S.C. § 136(s), and, as such, is subject to FIFRA and the regulations promulgated thereunder.
7. Pursuant to 40 C.F.R. § 167.3, “pesticidal product” means a pesticide, active ingredient, or device.
8. Pursuant to 40 C.F.R. § 167.20(a)(1), any establishment where a pesticidal product is produced must be registered with the Administrator of the EPA. Registration of an establishment with the Agency activates a unique, site specific registration number known as the EPA Establishment Number (EPA Est. No.) which is issued to the applicant pursuant to 40 C.F.R. § 167.20(d).
9. Pursuant to Section 12(a)(1)(F) of FIFRA, 7 U.S.C. § 136j(a)(1)(F), it is unlawful for any person to distribute or sell to any person any pesticide device that is misbranded.
10. Pursuant to Section 2(q)(1)(A) of FIFRA, 7 U.S.C. § 136(q)(1)(A), a pesticide is “misbranded” if its labeling bears any statement, design or graphic representation relative thereto or to its ingredients which is false or misleading in any particular.
11. A “pest” is defined in Section 2(t) of FIFRA, 7 U.S.C. § 136(t), as any insect, rodent, nematode, fungus, weed, or any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other micro-organism (except viruses, bacteria, or other microorganisms on or in living man or other living animals) which the Administrator declares to be a pest under Section 25(c)(1) of FIFRA, 7 U.S.C. § 136w(c)(1).
12. The term pesticide “device” is defined in Section 2(h) of FIFRA, 7 U.S.C. § 136(h) and 40 C.F.R. § 167.3, to mean any instrument or contrivance (other than a firearm) which is intended for trapping, destroying, repelling, or mitigating any pest or any other form of plant or animal life (other than man and other than bacteria, virus, or other microorganism on or in living man or other living animals); but not including equipment used for the application of pesticides when sold separately therefrom.
13. The term “establishment” is defined in Section 2(dd) of FIFRA, 7 U.S.C. § 136(dd), and 40 C.F.R. § 167.3, to mean any place where a pesticide or device or active ingredient used in producing a pesticide is produced, or held, for distribution or sale.
14. The term “produce” is defined in Section 2(w) of FIFRA, 7 U.S.C. § 136(w), to mean, in part, to manufacture, prepare, compound, propagate, or process any pesticide or active ingredient used in producing a pesticide. The term “produce” is further defined in 40 C.F.R. § 167.3 to mean to manufacture, prepare, propagate, compound, or process any pesticide, including any pesticide produced pursuant to Section 5 of the Act, any active ingredient or device, or to package, repackage, label, relabel, or otherwise change the container of any pesticide or device.
15. The term “to distribute or sell” as defined in Section 2(gg) of FIFRA, 7 U.S.C. § 136(gg), means to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, or to release for shipment.
16. Pursuant to Section 17(c) FIFRA, 7 U.S.C. § 136o(c), and the regulations at 19 C.F.R. § 12.112, an importer (or its agent) desiring to import pesticides into the United States is required to submit to the EPA Administrator a Notice of Arrival of Pesticides and Devices (NOA) [EPA Form 3540-1]

prior to the arrival of the shipment(s) into the United States, or, as an alternative to submitting an NOA, the importer or its agent may file an entry via the U.S. Customs and Border Protection's (CBP) Automated Commercial Environment (ACE) Data Processing System.

17. Pursuant to Section 14(a) of FIFRA, 7 U.S.C. § 136l(a), civil penalties for violations of FIFRA may be assessed by administrative order.

IV. FINDINGS OF FACTS

18. On or around April 21, 2020, UPS Supply Chain Solutions, Inc. (UPS Supply), the licensed customs broker for CPAP, incorrectly filed an entry in the CBP ACE System on behalf of CPAP for the importation of 360 ozone generators indicating that the generators were not pesticides or pesticide devices. The products arrived at the Port of Louisville, Kentucky UPS Hub under Entry Number SCS-02319160 on or around April 20, 2020.
19. On or around April 22, 2020, UPS incorrectly filed a second entry in the CBP ACE System on behalf of CPAP for the importation of 360 ozone generators, indicating that the generators were not pesticides or pesticide devices. The products arrived at the Port of Louisville, Kentucky UPS Hub under Entry Number SCS-02365999 on or around April 20, 2020.
20. On or around April 28, 2020, UPS incorrectly filed a third entry in the CBP ACE System on behalf of CPAP for the importation of 360 ozone generators indicating that the generators were not pesticides or pesticide devices. The products arrived at the Port of Louisville, Kentucky UPS Hub under Entry Number SCS-02365130 on or around April 20, 2020.
21. On May 6, 2020, CPAP emailed the EPA a product label that was affixed to the products being imported. Upon further review of the copies of the labels, the EPA determined that the ozone generator products were pesticide devices and were misbranded due to the absence of an EPA Establishment Number on the labels. Further, after discussions with representatives of CPAP, it was found that efficacy studies had not been conducted on the ozone generators to back up the "sanitizing" claims found on the product label. The label claimed that the ozone generator was a "CPAP Sanitizer System" and "Dual Sanitizer."
22. On May 7, 2020, CPAP requested permission to relabel the ozone generators covered by Entry Numbers SCS-02319160, SCS-02365999 and SCS-02365130. On May 27, 2020, the EPA notified CPAP that the ozone generators could be relabeled in an EPA-registered establishment to remove the sanitizing claims and to affix an EPA Establishment Number on the labels. CPAP advised the EPA that the misbranded ozone generators would be relabeled at CPAP Life LLC located at 6865 Shiloh Road East, Suite 150, Alpharetta, Georgia 30005 (EPA Est. No. 96984-GA-1). On July 7, 2020, the EPA advised CPAP that entry documents for the imported pesticide devices would need to be correctly filed before the products could be relabeled, and that once the entries were correctly filed, the EPA would issue a Stop Sale, Use, or Removal Order (SSURO) pursuant to Section 13 of FIFRA that would allow CPAP to relabel the products.
23. On July 20, 2020, UPS Supply correctly refiled the entries. Entry Number SCS-02365999 was replaced with SCS-13798550, Entry Number SC-S02365130 was replaced with SCS-13798576 and Entry Number SCS-02319160 was replaced with SCS-13798493.

24. On August 10, 2020, the EPA issued a SSURO (FIFRA-04-2020-0720) to CPAP prohibiting the sale, use or removal of the 1,080 ozone generator pesticide devices that arrived into the Port of Louisville, Kentucky UPS Hub around April 20, 2020, and authorizing CPAP to relabel the units to bring them into compliance with FIFRA. After completing the relabeling process, and submitting photographs and a certification of compliance, the SSURO was terminated on October 13, 2020, allowing CPAP to sell and distribute the pesticide devices.

V. ALLEGED VIOLATIONS

25. The EPA alleges that by importing a misbranded pesticide, Respondent violated Section 12(a)(1)(F) of FIFRA, 7 U.S.C. § 136j(a)(1)(F), on at least three occasions, and is therefore subject to the assessment of a civil penalty under Section 14(a) of FIFRA, 7 U.S.C. § 136l(a).
26. Section 14(a) of FIFRA, 7 U.S.C. § 136l(a), in conjunction with 40 C.F.R. Part 19, Adjustments of Civil Monetary Penalties for Inflation, authorizes the assessment of a civil penalty.

VII. TERMS OF PAYMENT

31. The EPA has determined that **SIX THOUSAND-EIGHT HUNDRED DOLLARS (\$6,800.00)** is an appropriate civil penalty to settle this action. Based on Respondent’s letter dated June 17, 2021, certifying the financial hardship that would result from having to pay the entire civil penalty in one payment, the EPA has agreed to allow, and Respondent has agreed to pay, the penalty in two installments as follows in accordance with the following schedule:

Payment Number	Payment shall be made <i>no later than</i>	Principal Amount	Interest Amount	Total Payment Amount
1	Thirty (30) calendar days following the Effective Date of this CAFO.	\$3,400.00	\$0.00	\$3,400.00
2	<u>120</u> calendar days following the Effective Date of this CAFO.	\$3,400.00	\$11.20	\$3,411.20

Including the civil penalty and interest, the total amount that will be paid upon completion of all payments will be \$ **6,811.20**.

- (a) If Respondent fails to make one of the installment payments in accordance with the schedule set forth above, the entire unpaid balance of the penalty and all accrued interest shall become due immediately upon such failure, and Respondent shall immediately pay the entire remaining principal balance of the civil penalty along with any interest that has accrued up to the time of such payment. In addition, Respondent shall pay a non-payment penalty and other charges as described below in Paragraph 35 in the event of any such failure or default.

- (b) Further, if Respondent fails to pay the installment payments in accordance with the schedule set forth above, the EPA may take action as set forth below in Paragraph 36.
- (c) Notwithstanding Respondent's agreement to pay the assessed civil penalty in accordance with the installment schedule set forth above, Respondent may pay the entire civil penalty of **\$6,800.00** within thirty (30) calendar days of the Effective Date of this CAFO and, thereby, avoid the payment of interest pursuant to 40 C.F.R. § 13.11(a). 35. Pursuant to 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to remit the civil penalty as agreed to herein, the EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the costs of processing and handling the delinquent claim. Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:
- (a) Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within 30 days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within 30 days of the Effective Date of this CAFO from the date that the EPA first mails notice to the Respondent that a stipulated penalty is due, interest will continue to accrue on any unpaid portion until the unpaid portion of the penalty and accrued interest is paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b), and 40 C.F.R. § 13.11(a).
- (b) Non-Payment Penalty. On any portion of a civil penalty more than ninety (90) calendar days past due, Respondent must pay a non-payment penalty of not more than six percent (6%) per annum, which will accrue from the date the penalty payment became due and is not paid, as

provided in 31 U.S.C. § 3717(e)(2) and 31 C.F.R. § 901.9(d). This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).

- (c) Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average cost incurred. 31 C.F.R. § 901.9(c), and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.

36. If Respondent fails to timely pay any portion of the penalty assessed under this CAFO, pursuant to Section 14(a)(5) of FIFRA, 7 U.S.C. § 136l(a)(5), the EPA may:
- (a) refer the debt to a credit reporting agency or a collection agency pursuant to Section 14(a) of FIFRA, 7 U.S.C. § 136l(a), 40 C.F.R. §§ 13.13 and 13.14;
 - (b) collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds, 40 C.F.R. Part 13, Subparts C and H;
 - (c) suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds, 40 C.F.R. § 13.17; and/or

37. Penalties paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

VIII. EFFECT OF CAFO

38. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged above.
39. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c),
40. Any violation of this CAFO may result in a civil judicial action for civil penalties as provided in Section 14(a) of the Act, 42 U.S.C. § 136l(a), as well as criminal sanctions as provided in Section 14(b) of the Act, 42 U.S.C. § 136l(b). The EPA may use any information submitted under this CAFO in an administrative, civil judicial, or criminal action.
41. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of FIFRA and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be

construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.

42. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent and substantial endangerment as provided under the Act.
43. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
44. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, servants, authorized representatives, successors, and assigns.
45. Any change in the legal status of the Respondent, or change in ownership, partnership, corporate or legal status, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
46. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information or personally identifiable information.
47. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
48. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
49. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
50. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
51. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of

such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.

52. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

IX. EFFECTIVE DATE

53. This CAFO shall become effective upon execution of the Final Order by the Regional Judicial Officer on the date of filing with the Regional Hearing Clerk.
