Consent Agreement and Final Order - Docket No. CWA-04-2007-5157(b)

Dear Mr. Lewis:

Enclosed please find a copy of the Consent Agreement and Final Order (CAFO) in the above-referenced matter. Please review the final CAFO, then sign the document or forward it to the appropriate facility representative for signature. The **original** document should then be returned to EPA for signature by EPA's duly delegated official. Please return the signed original to EPA within two weeks. Once all signatures are obtained, EPA will file the document with the Regional Hearing Clerk and mail a copy of the fully executed document as filed to you. The CAFO is effective on the date it is filed with the Regional Hearing Clerk. The penalty due date is calculated from that time, as well.

As indicated in the CAFO (Docket No. CWA-04-2007-5157(b)) for the non-PCB mineral oil release occurring on August 2, 2002 at 2435 US 19, Holiday, Florida, payment of the associated \$350 penalty also constitutes a full and final settlement and resolution of all causes of action alleged in the CAFO, including the occurrences listed below.
