**RESPONDENT WARREN STEEL HOLDINGS, LLC'S
UNOPPOSED MOTION FOR SECOND EXTENSION OF
TIME TO ANSWER THE COMPLAINT**

Respondent, Warren Steel Holdings, LLC ("WSH"), through its attorneys, Pepper Hamilton LLP, moves the Regional Judicial Officer, as the Presiding Officer, for an extension of time to answer the Complaint in this matter. In support, WSH states:

1. On Friday, September 30, 2011, the United States Environmental Protection Agency ("EPA") filed an administrative complaint alleging violations related to the Clean Air Act.
2. Prior to the original deadline for filing its Answer, and in anticipation of reaching a settlement with EPA, WSH filed an Unopposed Motion for an Extension of Time to Answer the Complaint on October 21, 2011.
3. On October 24, 2011, an Order was entered by the Regional Judicial Officer granting WSH until January 30, 2012, to answer the Complaint.
4. Since entry of that Order, and despite the logistical challenges posed by the recent holidays, WSH and EPA have exchanged a considerable amount of information and appear to have reached a settlement for this case.

5. As a result of the parties' negotiations, the parties have negotiated a settlement and drafted a proposed Consent Agreement and Final Order ("CAFO") to memorialize it that is very near completion and could be signed by WSH within the next week.

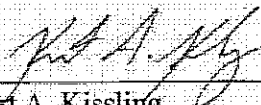

6. Given the imminent resolution of this case, WSH seeks a 21-day extension to allow the parties time for finalizing and executing the CAFO resolving this case, thereby obviating the need for additional and unnecessary filings.

7. Neither party to this action will suffer prejudice because EPA has represented through counsel that it supports WSH's request for a 21-day extension of time.

8. Since the parties have reached a settlement in principle and have only to finalize and execute the negotiated CAFO, there is good cause to extend the deadline for WSH to answer the Complaint.

WHEREFORE, Respondent Warren Steel Holdings, LLC respectfully requests an extension of time for WSH to answer the Complaint until February 20, 2012.

Respectfully Submitted,

Kurt A. Kissling
