UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
REGION 4

IN THE MATTER OF:

Dollar General Corporation
Goodlettsville, Tennessee

Respondent.

Docket No. CAA-04-2008-1507(b)

CONSENT AGREEMENT AND FINAL ORDER

I. Nature of the Action/Jurisdictional Statements

1. This is a civil penalty proceeding pursuant to Section 113(d) of the Clean Air Act (CAA), 42 U.S.C. § 7413(d), and pursuant to the Consolidated Rules of Practice Governing Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), codified at 40 C.F.R. Part 22. Complainant is the Director of the Air, Pesticides and Toxics Management Division, Region 4, United States Environmental Protection Agency (EPA). Respondent is Dollar General Corporation headquartered in Goodlettsville, Tennessee (hereinafter, “Respondent”).

2. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18(b) and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the filing of a complaint, taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. §§ 22.13(b) and 22.18(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

3. The authority to take action under Section 113(d) of the CAA, 42 U.S.C. § 7413(d), is vested in the Administrator of EPA. The Administrator of EPA has delegated this authority under the CAA to the Regional Administrators by EPA Delegation 7-6-A. The Regional Administrator, Region 4, has redelegated this authority to the Director, Air, Pesticides, and Toxics Management Division, by EPA Region 4 Delegation 7-6-A. Pursuant to that delegation, the Director of the Air, Pesticides and Toxics Management Division has the authority to commence an enforcement action as the Complainant in this matter, and the authority to settle this matter.
4. Pursuant to Section 113(d) of the CAA, before EPA initiates an administrative penalty action for CAA violations which occurred more than 12 months before the commencement of EPA’s civil administrative penalty action, or in which the total penalty sought exceeds $200,000, EPA and the U.S. Department of Justice (DOJ) must make a joint determination that the matter is appropriate for an administrative penalty action. The requisite determinations for this case were made by EPA and DOJ.

5. Respondent is Dollar General Corporation headquartered in Goodlettsville, Tennessee. Respondent is the owner/operator of over 8,000 stores located throughout the United States. The alleged violations occurred at multiple locations nationwide.

6. Respondent is a “person” as defined in CAA § 302(e), 42 U.S.C. § 7602(e).

7. “Ozone Depleting Substance” and “ODS” mean any substance that is either a “Class I substance” or “Class II substance” as defined in 40 C.F.R. § 82.104.

8. Class I substance means any substance designated as Class I in 40 C.F.R. Part 82, Appendix A to Subpart A, including but not limited to chlorofluorocarbons.

9. Class II substance means any substance designated as Class II in 40 C.F.R. Part 82, Appendix B to Subpart A, including but not limited to hydrochlorofluorocarbons.

10. EPA promulgated regulations for the control of ODS, appearing in 40 C.F.R. Part 82, Subpart C, which prohibit the sale or distribution in interstate commerce of non-essential ODS-containing products. Among the non-essential products listed at 40 C.F.R. §§ 82.66 and 82.70 are string confetti and other aerosol products containing ODS.

11. Pursuant to Section 113(d) of the CAA, 42 U.S.C. § 7413(d), and 40 C.F.R. Part 19, EPA may assess a penalty of not more than $32,500 for each violation of title VI of the CAA, that occurred after March 15, 2004.

12. Dollar General entered into an Administrative Compliance Order (ACO) on July 12, 2006, with EPA wherein EPA made findings consistent with the factual allegations listed below in section II. See, Exhibit 1, ACO.

II. EPA’s Factual and Legal Allegations

13. EPA alleges that between December 2004 and October 2005, Respondent purchased for re-sale approximately 609,264 cans of confetti string product known as Krazy String (Confetti String Product) that originated in Taiwan, and which may have contained a Class II substance.

14. EPA alleges that to the best of Respondent’s knowledge and belief, Respondent
ceased selling all Confetti String Product on or about February 24, 2006, after learning that the
cans manufactured in Taiwan may contain ODS as a propellant, and instructed store managers to
remove all Confetti String Product from each store’s sales floor. An inventory count showed that
Dollar General had approximately 175,000 cans on hand at the time it ceased selling the Confetti
String Product.

15. EPA alleges that the purchase of 609,264 cans of Confetti String Product which may
have contained an ozone depleting substance and the resale of 434,264 cans of Confetti String
Product which may have contained an ozone depleting substance are violations of title VI of the
CAA, and the regulations promulgated thereto found at 40 C.F.R. Part 82.

III. Consent Agreement

16. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set
out in Paragraphs 1 through 12 above, but Respondent neither admits nor denies the factual and
legal allegations set out in paragraphs 13 through 15 above. Neither this CAFO nor any part
thereof, nor any entry into or performance under this Order shall constitute or be construed as an
admission or acknowledgment of liability in this proceeding or any subsequent legal action.

17. As provided in 40 C.F.R. § 22.18(b)(2), solely for the purposes of this CAFO,
Respondent waives any right to contest the allegations listed above and its right to appeal the
proposed Final Order accompanying this CAFO.

18. Nothing in this CAFO shall be construed to create any rights in, or grant any cause of
action to, any person not a party to this CAFO. Except as otherwise provided herein,
Complainant and Respondent each expressly reserves any and all rights, defenses, claims,
demands, and causes of action which it may have with respect to any matter, transaction, or
occurrence relating in any way to the facts alleged in the CAFO against any person not a party
hereto.

19. Respondent consents to the assessment of and agrees to pay the civil penalty as set
forth in this CAFO.

20. Respondent certifies that as of the date of its execution of this CAFO, it is in
compliance with all relevant requirements of the CAA.

21. Compliance with this CAFO shall fully resolve the alleged violations contained
herein, and EPA hereby releases Respondent, its successors and assigns, from all liability for the
violations alleged herein. This CAFO shall not otherwise affect any liability of Respondent, if
any, to the United States. Other than as expressed herein, neither EPA nor Complainant waives
any right to bring an enforcement action against Respondent for violation of any federal or state
statute, regulation or permit, to initiate an action for imminent and substantial endangerment, or
to pursue criminal enforcement for allegations of violations not contained in this CAFO.
22. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public interest and that this CAFO is consistent with the applicable requirements of the CAA.
