ORDER GRANTING MOTION TO FILE AFFIDAVIT

Complainant's Motion for Leave to File an Additional Affidavit to Complainant's Reply to Respondent's Motion to Dismiss is granted. Complainant's Motion stated that the affidavit is simply the notarized version of a statement filed as an attachment to its Reply and thus contains nothing new to Respondent. Respondent advised this Office by telephone that it had no objection to the Motion. In this situation, ample justification exists for granting Complainant's Motion. Accordingly, the notarized version of the statement submitted with Complainant's Motion is added to Complainant's Reply.
