REPORT RECOMMENDING TERMINATION  
OF ALTERNATIVE DISPUTE RESOLUTION PROCESS

The Report of February 8, 2013 provides that this alternative dispute resolution (ADR) process terminates March 15, 2013. The parties have reached a settlement in this matter and are in the process of drafting a Consent Agreement and Final Order ("CAFO"). Nonetheless, the CAFO has not been executed.

Therefore, I am recommending to the litigation judge that the parties, who have expended a great deal of effort and time in negotiating this settlement, be afforded additional time to finalize their settlement before the litigation process is initiated.

The parties are commended for their success in negotiating their agreement. The undersigned expresses her appreciation to the parties for the courtesy and candor with which they participated in the ADR process.
