RECEIPT OF CONSENT AGREEMENT AND FINAL ORDER  
AND CONCLUSION OF CASE

On November 25, 2014, the Chief Administrative Law Judge of the Office of Administrative Law Judges (“Office”) approved my recommendation to continue the alternative dispute resolution (“ADR”) process of this matter through December 29, 2014 as the parties’ good faith negotiations to settle this matter were ongoing. By December 29, 2014, the parties reached an agreement to the terms of settlement, including a Supplemental Environmental Project. Given the challenges posed by the holiday season to obtain all the necessary approvals and signatures of the Consent Agreement and Final Order (“CAFO”) in this case, I afforded the parties a brief extension of time within which to submit a fully executed CAFO. The fully executed CAFO was filed in this case on January 6, 2015. Accordingly, the ADR process and jurisdiction of this Office are now concluded.

The parties are commended for their success in negotiating settlement of this matter.

Christine D. Coughlin  
Administrative Law Judge
