ORDER ON COMPLAINANT'S MOTION TO CONFORM THE TRANSCRIPT

The hearing in this matter was conducted on April 7, 2015, in Yakima, Washington. On April 16, 2015, the Hearing Clerk of this Tribunal received the official transcript of testimony taken at the hearing. The Hearing Clerk thereafter e-mailed an electronic copy of the transcript to counsel for the parties on April 20, 2015.

By Order dated April 21, 2015, I directed the parties to file any motions to conform the transcript to the actual testimony no later than May 20, 2015. On May 18, 2015, Complainant filed a Motion to Conform the Transcript ("Motion"), in which Complainant requests that the transcript be revised to conform to changes listed in a table attached to the Motion as Exhibit 1. Complainant represents that the transcript contains typographical and transcription errors and that the changes listed in Exhibit 1 are necessary to ensure that the transcript is accurate. Complainant further represents that Respondents' counsel does not oppose the Motion.

Upon consideration, I accept each change listed in Exhibit 1 to the Motion, with the exception of the change proposed for line 16 of page 170 because the text identified by Complainant as needing correction does not, in fact, exist on that page of the transcript. Otherwise, the changes listed in Exhibit 1 appear to reflect the actual testimony at the hearing and to improve the accuracy of the record. Accordingly, Complainant's Motion is **GRANTED**, and the transcript is hereby amended to conform to the actual testimony listed by Complainant in Exhibit 1 to the Motion, with the exception of the proposed change noted above.

SO ORDERED.
