## ORDER GRANTING MOTION TO WITHDRAW COMPLAINT

On November 28, 2001, Complainant, pursuant to 40 C.F.R. Section 22.16 of the Consolidated Rules of Practice, filed a Motion to Withdraw Complaint in the above-stated proceeding. As grounds for the Motion, Complainant asserts facts that establish Respondent, Nova Energy, Inc., as no longer being in existance and that further prosecution of the case would result in either a legal impossibility or that Complainant would lack jurisdiction in the case. Respondent in this proceeding appears *pro se*.

For good cause shown, the Motion is GRANTED and the Complaint in this case is hereby withdrawn.
