ORDER GRANTING EXTENSION OF ALTERNATIVE
DISPUTE RESOLUTION PROCESS

The parties have represented that while a settlement-in-principle has been reached, additional time is needed to work out the provisions for a Supplemental Environmental Project (SEP) and a proposed Scope of Work (SOW). EPA is currently analyzing the proposed SEP and SOW. Good cause having been shown, the Alternative Dispute Resolution Process, which expired on December 1, 2009, is extended for 30 days or through January 1, 2010.

Dated this 2nd day of December 2009.
